### ***What is an ID Checker?***

Although only a tool, a single swipe of a state issued driver's license or identification card, the Identification (ID) Checker can verify that the card holder is of legal drinking age. It can also detect a potential false identification card.

### ***Who should consider using an ID***

***Checker?*** Those holding public events where alcohol is being served (festivals, public celebrations, fund raisers, etc.).

### ***Why consider using a checker?***

Using ID checkers is one strategy that can be used to help control those under the age of 21 from accessing alcohol. ( Visit [www.awawake.org](http://www.awawake.org) for a list of suggested guidelines to consider when planning a public event where alcohol will be sold.)

The use of ID Checker's is a service provided by AWAKE, a Drug Free Communities Coalition serving the Anthony Wayne Community.

ID Checkers are available for loan on a first come first serve basis and can be picked up and returned to the AWAKE office located in the YMCA at 808 Michigan Avenue in Waterville.

A \$10 donation is suggested.

For more information, or to reserve an ID Checker for your upcoming event, please contact our office at 419-441-0029.
