AETNA

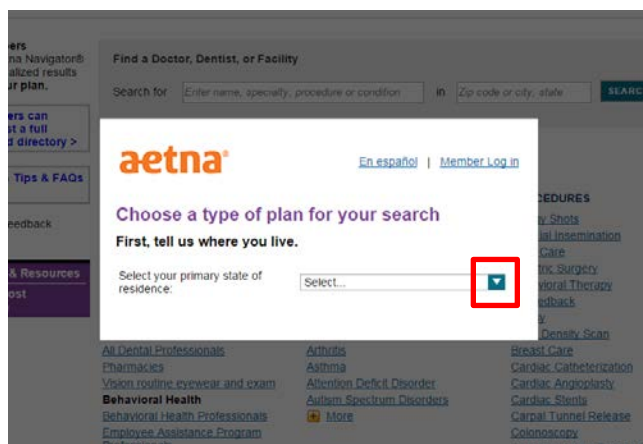

To access the Provider Search tool for Aetna Medicare Advantage products you will need to go to their website at www.aetnamedicare.com. Click on “Find doctors and hospitals” in the banner (found in red box to the right). Then click “Find Doctors, Hospitals, and Dentists” in the drop down. This will open a new window.

Click the Find a provider button in the red box to the right.

You will first be asked to choose which state in which the client resides. Click on the drop down arrow (as found in the red box to the right) and select the appropriate state. (For this guide we will use Duval County in Florida as an example).

The screen will then show all plans available in Florida. You can select which plan you are interested in checking by clicking on the title of the plan and then clicking "Continue." NOTE: You do not have to select a plan. If you choose not to simply click "Continue without selecting a plan." If you do not select a plan a message will appear.

If looking for a dentist be sure to click the correct dental plan listed in the drop down.

The screenshot shows the Aetna website interface. At the top left is the Aetna logo. To the right are links for "En español" and "Member Log in". The main heading is "Choose a type of plan for your search". Below this is the instruction "First, tell us where you live." followed by a dropdown menu for "Select your primary state of residence:" with "Florida" selected. The next instruction is "Now select a type of plan." followed by a list of plan types available in Florida: "2015-Aetna Medicare Plans" (with sub-options: "Aetna MedicareSM Plan(HMO / Open Access HMO)" and "Aetna MedicareSM Plan(PPO)"), "2015-DMO®/Managed Dental" (with sub-options: "Aetna Medicare HMO Preventive Dental Plan" and "Aetna Medicare HMO Advantage Dental Plan"), "2015-Pharmacy" (with sub-option: "Aetna Medicare Prescription Drug Plan (PDP)"), and "2016-Aetna Medicare Plans - Group". At the bottom are two buttons: "Continue" with a right arrow, and "Continue without selecting a plan" with a link icon.

This message merely states that the doctor you search may appear however you will still need to verify which plans they accept by looking at them individually. This step will be shown so that if you encounter this you will be able to confirm they accept the plan that the client is interested in. Click "I understand" to continue.

The screenshot shows a message box with a close button (X) in the top right corner. The text inside reads: "The health care professional you see listed may not accept your plan." Below this is a paragraph of text: "Click on the provider name to see a list of plans they accept. It is important to call their office to confirm that they participate in Aetna's network before scheduling your appointment or receiving services. To find providers that accept your plan, [select a plan](#)." At the bottom of the box is a button labeled "I understand".

From here you have a few options. In the “Search for” box you can type a name, specialty, procedure, or condition. The easiest will likely be name or specialty. The search will come up with options as you type. If at any time you see what you are looking for, you can click on it and the box will auto-fill the text you have yet to enter. If entering a specialty all doctors with that specialty will appear. This can be especially useful if you simply want a list of Primary Care Providers for your client to choose from, etc. You will also notice from the picture on the right that the client is able to request a paper copy of the printed directory (seen in red box). For this search we will look for a doctor named Stewart. After typing the name into the Search for box, you will need to also enter either the zip code or the city, state of the client in the second box. Click on the Search button.

Important Information About Our Provider Directory

First you will want to enter the zip code of the client in the box to the left of "Zip Code." In the Search box you can search by name of the doctor, facility, specialty, or condition. As in the AETNA search, searching by specialty can be convenient for creating a list of potential doctors for a client to choose from. For this guide we will search Green in Duval County. Click on the green go after entering the zip code and name.

Coventry Health Care makes every effort to maintain accurate and up-to-date information. However, changes can occur at

On the results page you will see on the left hand side a slider that can extend the distance from the zip code in which you would like to search for doctors. When the doctor is a primary care physician, the Provider number will be list under their name. For example the picture on the right shows the first person has a provider number directly under his name since he is a Family Practice Physician; but the second result does not because he is a specialist. If you wish to print out the results to share a list of names with a client, click "Create Directory" above the results list. It will let you select whether you want to download, email, or fax the directory.

CarePlus

<p>Go to www.careplushealthplans.com. Here you will see below the banner the heading “Find a Provider.” Click on the link below the paragraph of this header (shown in red box to the right).</p>	
<p>A warning will pop up to inform you that you are in fact leaving the site. This is taking you to a Humana link that can only be accessed from the CarePlus website. Click Continue.</p>	
<p>Here you will need to enter the client's zip code. This will allow the search box to appear.</p>	

Use the drop down menu next to the search box to choose whether you will be searching by name, specialty, or condition. Again, searching by specialty is beneficial if you wish to give the client a list to choose a physician from. For this guide we will search for the name Smith. Click on Search to continue to results.

On the results screen you will see on left hand side that you can adjust the distance from the zip code in which you are searching. There are also filters you can use to decrease the number of results as well. In the upper right hand corner you will see you do have the option to print which is helpful if you need to take the list of doctors to a client. If the doctor is in fact a Primary Care Physician, their Primary Care Number will appear under the "Accepting New Patients" section of their results as seen in the red box to the right. If no numbers are available then they are a specialist and cannot be used as the primary care doctor.

United Healthcare

It should be noted that you can access the Provider Look Up through www.uhcmedicaresolutions.com to confirm that a physician is in network; however, you will not find the provider's id number on that site. Use www.unitedhealthproducers.com to access the agent Provider Look Up tool.

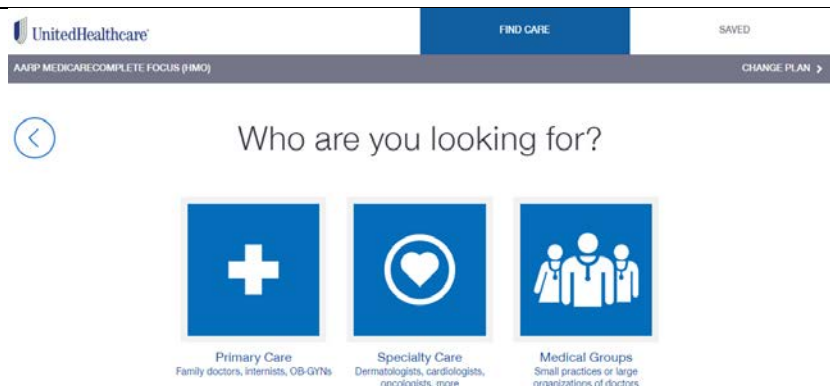

You will need to use your agent id and password to access your account. Click Sign-in.

If you scroll down on the left hand side of the page is a link that says "Provider Search". Click on that link (seen in red box to right).

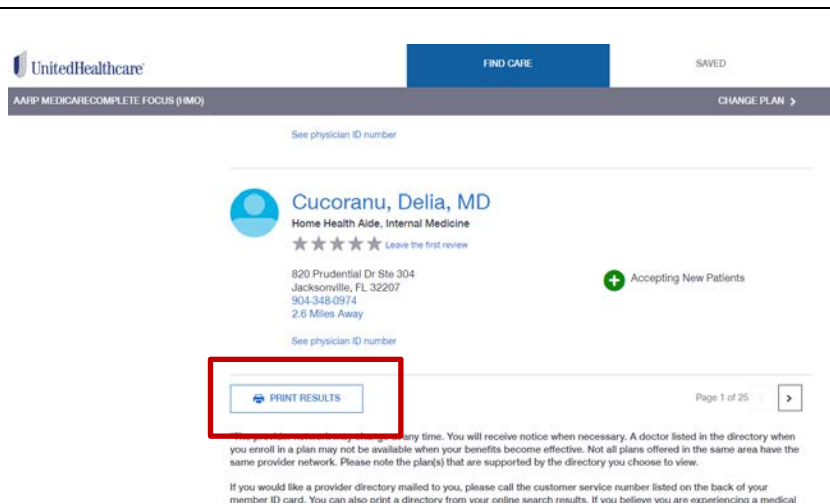

Click the "Click here to launch Provider Search" (seen in red box to the right). This will open a new window for the Provider Search tool.

<p>First you will need to enter the client's zip code or city and state. Then click Continue.</p>	 <h2>Enter your ZIP code to find a plan.</h2> <p>Enter a 5 digit zip code or city & state</p> <input type="text" value="Zip Code or City & State"/> <p>CONTINUE</p>
<p>Next you will need to pick which plan you would like to check for doctor's on. We will use the Focus HMO for this example. Click on the title of the plan.</p>	 <p>2017 PLANS</p> <p>Select a Medicare plan in Duval County, FL, 32206</p> <p>No Preference</p> <p>AARP MedicareComplete Choice Essential (Regional PPO)</p> <p>AARP MedicareComplete Choice Plan 2 (Regional PPO)</p> <p>AARP MedicareComplete Focus (HMO)</p>
<p>Here you can search by the doctor's name or specialty by typing it in the search bar and clicking search.</p> <p>You can also click any of the blue squares to search for groups of doctors by specialty, place, medical group, or even medical condition.</p>	 <p>FIND CARE</p> <p>SAVED</p> <p>AARP MEDICARE COMPLETE FOCUS (HMO) CHANGE PLAN</p> <p>What can we help you find near 32206 ?</p> <p>CHANGE LOCATION</p> <input type="text" value="Doctor Name or Specialty, Facility Name, Clinic Name, Medical Group Name"/> <p>SEARCH</p> <p>FIND HEALTH CARE BY CATEGORY</p> <div> <div>  <p>People Doctors, medical groups, and other professionals by specialty</p> </div> <div>  <p>Places Hospitals, clinics, labs, imaging centers</p> </div> <div>  <p>Tests and Imaging Lab tests, screenings, X-rays, scans</p> </div> <div>  <p>Services and Treatments Office visits, tests, treatments, surgeries</p> </div> <div>  <p>Care by Condition Find care for common concerns</p> </div> </div>

If using the blue squares to locate a primary care physician. Click People, then click the box labeled Primary Care. Then select the type of Primary Care you are looking for from the list.

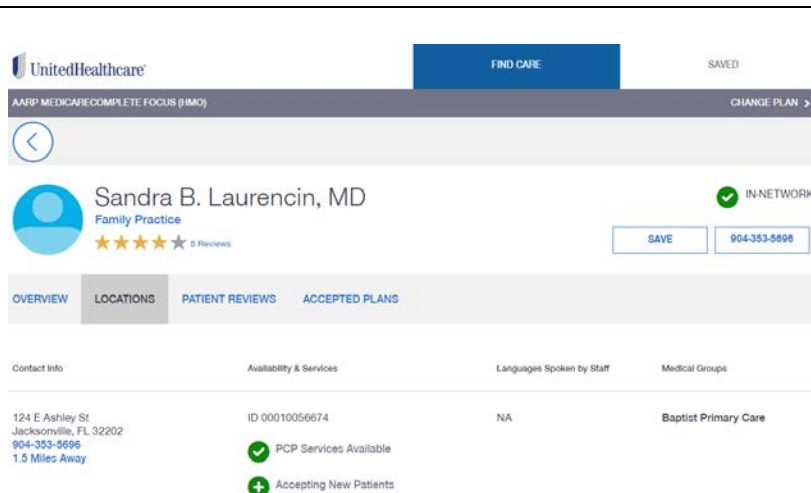

A list of results will appear. There will likely be few options and for a wider search it is suggested that you change the distance by clicking a different miles amount in the drop down on the left side of the page. **Always try this if you cannot find a doctor on the initial results as it is not uncommon for the results to be too limited with this search tool.** Scroll through the results to locate the desired provider.

To print or get a copy of this list of doctor's generated click print results found at the bottom of the results page (see in red box to the right).

To find the PCP ID click on the Doctor's name in the results. On their information page, click on the Locations tab. The PCP ID will be listed next to each location available. NOTE: Each plan can have a different ID number for the doctor so be sure to use the correct ID for the correct plan when submitting an application. You may need to go back several steps to look up the ID for a different plan.

If the doctor is a specialist no PCP ID will be listed.

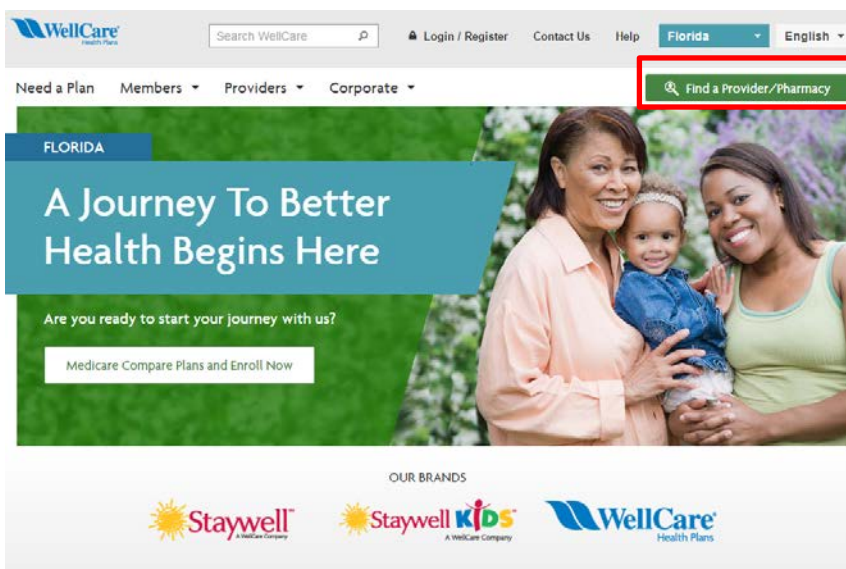

NOTE: Groups themselves do not have PCP ID numbers. To use a group facility you will need to find out the primary doctor for the facility and search by the doctor's name in order to get a PCP ID.

[Return to Contents](#)

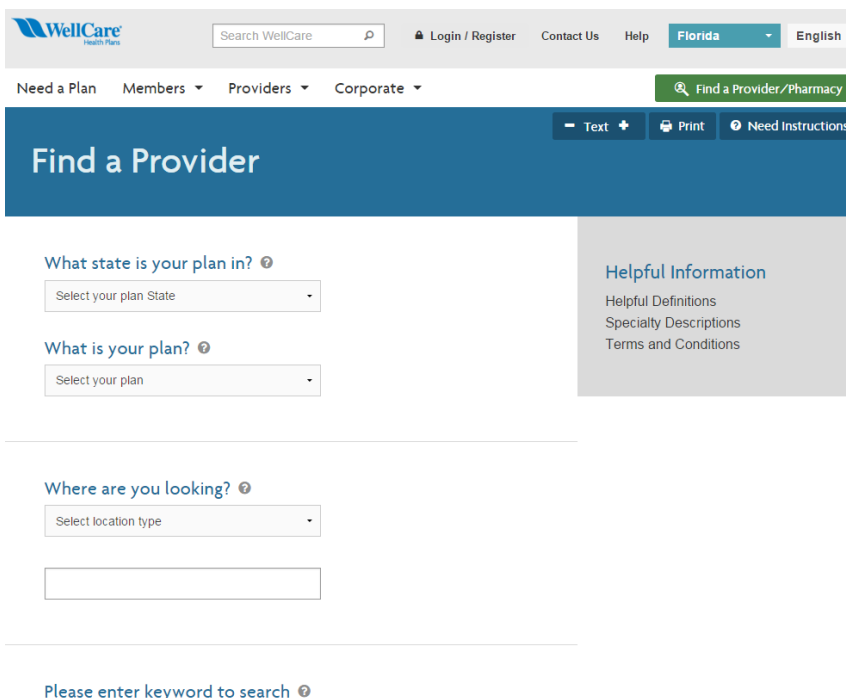

WellCare

Go to www.wellcare.com.

You will be brought to the page on the right and small box will request that you enter the state in which you are interested, first. The page will change to be specific to that state. To find a provider, click on the “Find a Provider/Pharmacy” button in the upper right hand corner (found in the red box to the right).

You will be brought to a search engine where you will need to select various criteria. The first drop down will require you to select the state in which the client lives. The next drop down will have a list of types of WellCare plans to select from. For Medicare, select “WellCare,” under the bold heading “Medicare,” in the drop down list. Next you will need to enter the client’s general location. You can search by city and state, county and state, zip code, or address. If using city and state or county and state be sure to type in the correct labeled boxes that will appear. For zip code a new drop down will appear next to the zip code boxes. This drop down allows you to enter a distance from the zip code to look up doctors. Be sure to increase the mileage

if the doctor you are looking for is not located very close to the client. The next box asks if you would like to search by name or keyword/specialty. A new box will appear to type your name or specialty into. To run the search, click the “Go to Results” button.

Sunshine

Go to advantage.sunshinehealth.com

. Click on Find a Doctor or Pharmacy at the top of the page or Find a Doctor in the list on the left hand side of the page. See the black boxes to the right. Both links go to the same page.

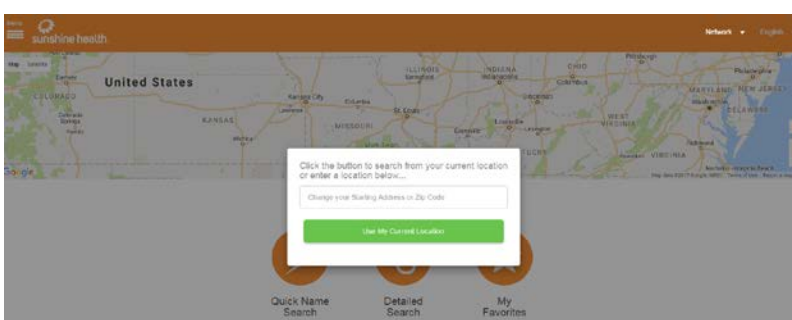

Midway down the page is a link that says “Start Provider or Pharmacy Search”. Click on this link seen in the red box.

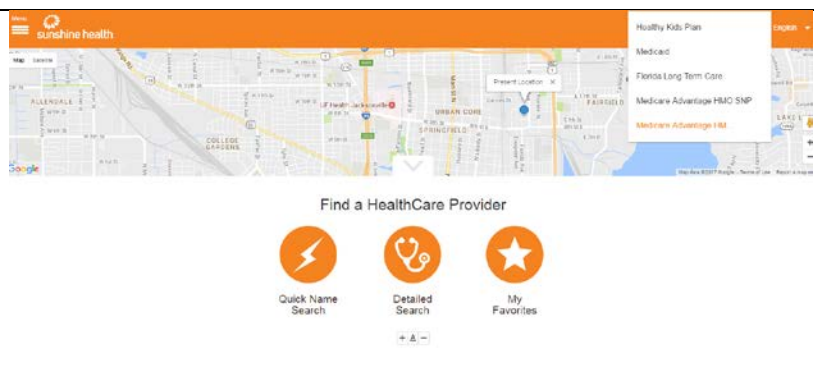

If you are using a location enabled device you can click use my current location to search doctors. Otherwise type the zip code for the client and then click “Set Location”.

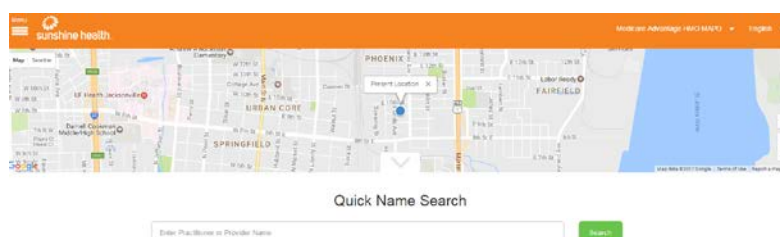

You will be given a quick tour of how to use the search.

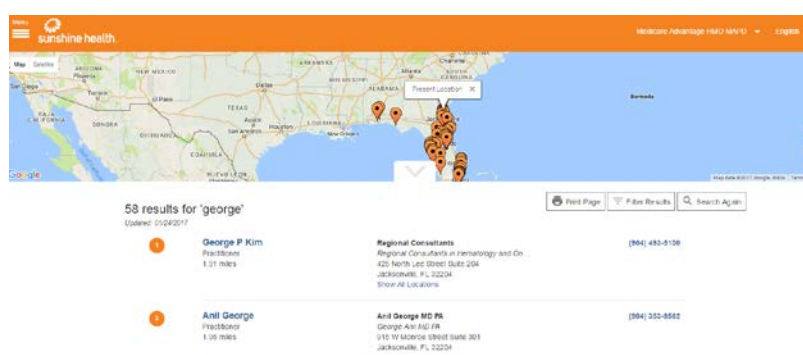

First, click Network and select either the HMO SNP or HMO MAPD. Then you can do a “Quick Name Search” by clicking the orange circle with a lightning bolt.

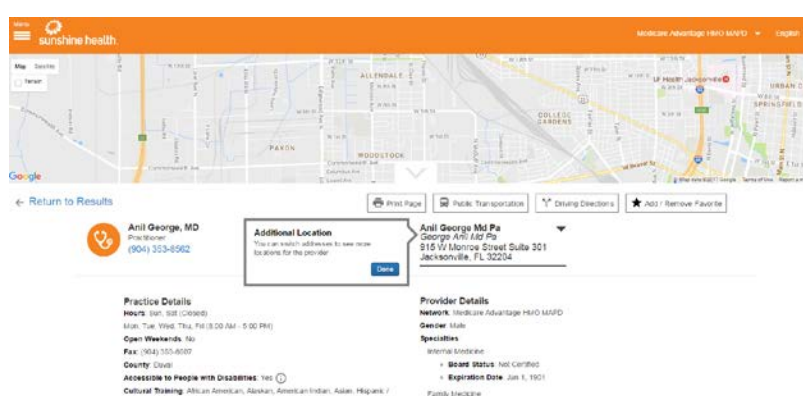

A search box will appear. Type the name you are looking for and click Search.

A list of doctor's will load for the state with the most local appearing at the top of the list. To see more information on the provider click on their name.

If multiple locations for the doctor are available it will be identified by a box as seen in the image to the right. Click the down arrow to see other locations.

[Return to Contents](#)
