### **ENJOY THE DAY TOURING THE U.S. NAVAL ACADEMY FRIDAY 12 OCTOBER 2018**

Fall in Annapolis! What could be a better time to tour the place where future Naval officers are trained and educated --- at the United States Naval Academy.

First stop, the Visitors Center, to view a 13 minute film, *The Call to Serve*, before starting the **walking tour** with a professional certified guide. The historical tour, one hour & 15 minutes, highlights life at the Academy, past and future, and includes Lejeune Hall, Bancroft Hall, Teamesh Court, Herndon Monument, the Main Chapel and the crypt of John Paul Jones, Revolutionary War Hero.

Following the assembly of mid-shipmen and our group lunch, we will explore the Academy Museum and the famous collection of antique ship models, a tour must!
