

Blessings United

Extending peace, one kind gesture at a time, while sewing kindness and fueling wellbeing.

In partnership with Major Rich Gibson and the Officers of the Northern and Western Districts of Baltimore City, Good for You Grocery bags are distributed monthly throughout the community. These healthy, non-per-

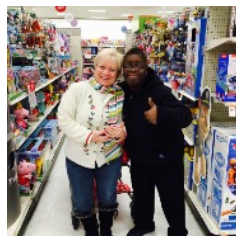

ishable foods are assembled by volunteer groups, families, and organizations—angels among us!

Additionally, the police officers also distribute our Easter Blessing Baskets and participate in our Elf Angel program during the holidays. In 2017, this partnership gave eight families, including the eight

moms and dads and 35 children, a Christmas that wouldn't otherwise have been possible. The day began by officers picking up each of the parents and bringing them to Miss Shirley's, who hosted a scrumptious breakfast, complete with singing and bonding. Afterwards, the shopping extravaganza began at Target, with Heaven on Earth NOW

angels helping each of the groups stretch their gift cards by identifying promotions, as well as wrapping presents selected by the moms and dads for each of their children.

Other angels shopped for the parents, and a generous donor heard what we were doing and contributed new athletic shoes for each family member. What a glorious partnership!

“If we have no peace it is because we have forgotten that we belong to each other.”
