

Lakeshore Mailbox Street Number Signs

We are placing another order for the mailbox street signs. Fair warning: this may be the last chance to get the Extira signs (a specially manufactured exterior MDF board that has a 15-year lifespan). The sign maker, Brooks Signs, has had trouble procuring Extira, but we finally found some. The alternative is wooden pine boards which have a much shorter life and cost almost as much.

The price varies dramatically depending upon the batch size ordered and the fact that we have to buy a minimum amount of Extira, enough for 19 sets of signs.

I am going to do this in TWO phases:

PHASE 1 – Assess interest. Determine final pricing.

PHASE 2 – Collect money. Place firm order.

Sample pricing based upon different order quantities:

\$290 = 1 set of signs (\$290/set)

\$315 = 5 sets of signs (\$63/set)

\$480 = 10 sets of signs (\$48/set)

\$775 = 19 sets of signs (\$41/set)

Therefore, we need to get at least 5-10 orders to make this financially viable. Final pricing will be based upon actual number of orders received.

These signs come unpainted. OPTIONAL: I will paint and install them in the HOA-approved colors for an additional \$25/set. All proceeds will be donated to the Michael J Fox Foundation.

ACTION: If you want to order a set of signs, ASSUMING we gather AT LEAST 5 sets (i.e. worst case is \$63/set), send an email or text to:

speedw@yahoo.com or text 919-744-1359 NO LATER THAN (SAT MAY 13, 2023)
