\*CMT stands for Chartered Market Technician, a designation conferred by the Market Technicians Association. To earn a CMT designation, applicants must pass three progressive levels of tests on knowledge and application of technical analysis (often referred to as chart analysis). At the time Julia Bussie earned her CMT, the requirements were to take two levels of tests and the CMT Level 3 qualification was met by writing a Master's level original research paper. This paper is available upon request. Julia Bussie has had no legal or disciplinary events.
