

ART SUPPLIES NEEDED

OLSS students are making a dragon's lair for Annmarie Garden's "Fairies in the Garden" exhibit. It will advertise the Solomons Island Dragon Boat Festival, which supports Southern Maryland Community Resources' inclusion program for people with developmental differences. Father Mike is on the Board, and this art project is our birthday present to him. It will be on display at Annmarie Garden until September.

Our Art Teacher, Mrs. Oster, would like to request donations of building materials for this project. The lair has to fit in a 2 ft. x 2 ft. box, so items should be small. If you have any of these items you'd like to donate, please send them to the School Office:
