OLD BUSINESS:

- **Generator:** We asked if any club member was interested in buying our old Coleman Powermate Generator. The board approved the sale in July 2013 at \$300.00; Steve will take pictures and post it 4-sale.
- **Yard Signs:** Steve has the updated yard signs here tonight; see him after the meeting to pick yours up.
- **Cruise-in Flyers:** Printed cruise-in flyers for members are here to take and hand out. Thanks to Jim Stevens & Kenzie Endicott; they passed out several hundred of these at the Ford show last weekend.
- **Raffle Wreath:** Patt talked about some of the gift cards she had received from local business. She encouraged everyone to go to the places they work and shop and ask for gift cards or any donation we can use on the wreath or as door prizes and bring them to the May Club Meeting.

NEW BUSINESS:

- Patt gave everyone stick on name tags to wear tonight.
- **Meet Our Members Card:** Glenn Metzler, Penny Hixenbaugh & Carl Meyers where selected to speak about themselves this month.
- **Name Tags:** Ed Evans spoke about donating the name tags to the club in exchange for letting him set up for a couple of our cruise-ins as a vendor. He passed around a 3" button with our logo on it and a name as an example. Steve said he would like to use the logo that said "Club Member" on it and he will send the file to Ed and a club member name list. The club requested that the name be placed at the top of the button and not through the logo as presented. Ed will bring the finished product to the May club meeting.
- **Tee-Shirt Press:** A motion was brought to the floor to sell our old Tee-Shirt Press that is no longer in use for \$200.00 by Larry Robinson & 2nd Greg Myers; club members voted and the motion Passed.
