Festival Day !

My Dear Parishioners,

My goodness summer is flying by! It shouldn't come as a surprise that the days of summer flash before us each year. This summer has been extra special for me as last summer was not like summer. Last summer for me was dedicated to keeping myself healthy through a dedication to social distancing. But this summer has been a time for me to catch up on lost time with the good people of Bethlehem and Crestline. Baseball games, cookouts, amusement parks, swimming, weddings, graduations and most especially basketball have highlighted my summer. And what a glorious summer it has been as I try to make up for my hidden behavior last summer.

I'm so excited for Sacred Heart's festival which just so happens to land on my birthday! I would not want to spend it in any other way than with my parish family and biological family who plans to attend. If you see me playing games and playfully fighting with 3 little girls at the festival DO NOT BE ALARMED because they are just my nieces. And if you see a little blonde haired girl wack me in the back of the head with a toy she just won ... don't be surprised it is how the nieces show me affection. My mom and dad also plan on making the trip. Although I will be around my family during the festival for my birthday... please stop me and chat as I wish to spend the day with my parish family as well!!!!

Also, as the summer has flown by I have not yet officially welcomed our new principal at St. Joseph school who will carry on the good work and service Mr. Salvati blessed our school with over the years. That being said, I would like to formally welcome Ms. Sue Sanders our new St. Joe's principal to both our parishes! Sue has been principal for the last three years for St. Benedict School in Cambridge. Before that, she was teacher then principal at St. Mary of the Snows School in Mansfield for 13 years. Sue is happy to be coming home to this area and eager to share her vision for St. Joseph School. Per Sue ... "I am devoted to high academic standards and infusing our Catholic identity throughout the curriculum."

Sue holds a Master's in Education from Kent State University. She has three children and two grandchildren and enjoys traveling and spending time with her family.

Welcome back to the area Sue!

**In Christ,
Fr. Jeff**
