

THE MAINSTREAM

Safety Considerations

With the start of the school year more students are walking to bus stops and many neighbors are driving to work or school. To help keep everyone safe, please trim any shrubbery or trees that can interfere with walking on the sidewalks or line of sight at intersections. Please be courteous and follow the Fairfax County guidelines when parking on the streets near intersections:

- Parking is not allowed within 30 feet of a stop sign
- Parking is not allowed in or within 20 feet of an intersection. Radius is from where the pavement begins to curve for the cross street.

If you observe an issue, you can offer a gentle reminder to your neighbor and you may contact the Fairfax County Police Non-Emergency number: 703-691-2131, if necessary.

Fight those Mosquitos!

Is Your Neighborhood Mosquito-Proof?

Here are some key tips from Fairfax County to help battle mosquitos in your yard:

- Toss the water. Mosquitos love standing water. Here are some places to look for accumulating water where mosquitos may be breeding:
 - Buckets and water cans
 - Bird baths and outside pet water bowls
 - Saucers for potted plants
 - Children's toys
 - Boats and boat covers
- Treat standing water with a larvicide
- Consider treating your yard with an insecticide

By the last session, the Hiddenbrook **Water Aerobics** class ended up with a total of 20 participants and many children who joined in behind the scenes and on the pool deck following the instructor's moves. The fun and interest continue to grow and for those who missed out, watch your newsletter next season for sign up information.
