A Note from Rick: Mixed markets at TLA this week. Tuesday was hot & humid outside but prices were a little sluggish in the sale ring. I think the weather being as uncomfortable as it was showed up in the livestock we sold as well. Prices were off slightly throughout the day in all categories. Thursday was a different story. We had right at 200 springers for the July Special Springer sale and prices were stronger. Overall I would say this was one of the better springer sales we've had from top to bottom in quite some time. The quality of the cattle we had to sell was very good and I would say prices were as well. The construction project continues to move along and things are definitely taking shape. We've still got a long way to go but we're very happy with the progress that has been made so far. Have a great week and we hope to see you soon at TLA!
