

Courtney Heger

My name is Courtney Heger and I am 33 years old. I grew up here in Decatur and I graduated from St. Teresa in 1998. I work as a manager for a loan company and have been there for 10 years.

I am a proud and loving mother of two beautiful children. Drake is 8 years old and Chase is 5 years old. This school year, both of them will be here at St. Patrick.

My likes and hobbies include music, swimming, riding bikes on the bike trail watching my kids play sports, playing sports and games with my kids, traveling with my family and most of all, I love to teach my children. They are our future and with love, faith, and education, they will change the future for the better.
