

Tax Map Verification Letter fee increase Jan. 1 2017

The TMVL fee is paid to the county assessor. The county clerk does not collect the fee. The county clerk requires a TMVL for recording.

The Nassau County Legislature has approved an increase in the tax map verification letter (TMVL) fee, despite the opposition of the county clerk and the no votes of a minority of legislators.

A campaign against the fee increase was organized by LIBOR and supported by the NYSLTA.

The fee required by the Department of Assessment for issuing a TMVL will be \$355 as of January 1, 2017
