

2018 Capital Area USTA Singles League Registration Guidelines & Information

The North Carolina Singles League is a team competition for Men or Women with NTRP levels of 2.5 to 4.5. Each match is three singles courts. Teams shall be made up of a minimum of four players. Teams can have no more than nine players on a roster. The registration fee is \$22 per person paid on TennisLink and a current USTA membership. City teams will also have court fees for each home match (\$24/match).

If you are registering as a club team, it is your responsibility to notify your club pro that you plan to have a team **prior** to registering on TennisLink! This will ensure that your club can guarantee home courts for your matches.

All teams must have enough courts for equal home and away matches.

If you are registering as a city team, I will do my best to schedule as many matches as possible at Millbrook; however, given the number of teams/players you need to be prepared to play matches at alternate City of Raleigh sites.

REGISTRATION BEGINS JUNE 16, 2018. Please register your team before **July 10**.

**Please note: A player may only play up one NTRP level above their current NTRP level. Teams are encouraged, but not required, to have multiple players on the level of the team registered to maintain the integrity of the league.*

ALL CAPTAINS must fill out a registration form for each team you are captaining PRIOR to registering your team on TennisLink.

Click on the link below (or cut and paste into your browser) to fill out your form:
