Discussion on what we want to receive on reporting of police activities; What will  
the town receive for our \$170,000- In service.

Council Member Callar made note that our \$17,500 payment for July service will  
be deducted from the \$170,000 in Budget for protection. Last payment of year will  
reflect the amount. After much discussion Council member Higdon said he  
thought an invoice system for each month would be a better way to ensure the  
service we desire will be honored. He will prepare a power-point presentation with  
our coverage needs for the sub-committee meeting with Mayor Vaughn's
