Small Business Lending

Funded in part through a Cooperative Agreement with the U.S. Small Business Administration

CU is an equal opportunity lender.

Our Purpose

Communities Unlimited makes loans to small businesses to position them for profitable growth leading to new jobs and local economic development. With loans of \$500 to \$100,000, we fill gaps in small business financing.

Loan Products to Fit Your Business

- Microloans - \$500 to \$50,000
- Small Business Loans - up to \$100,000
- Communities Unlimited will work with other lenders and partners to provide larger loans.
- Loans may be used for working capital, equipment purchase and business purchase.

Loan Criteria and Conditions

- Loans for business use only
- Businesses located Alabama, Arkansas, Louisiana, Mississippi, Oklahoma, Tennessee, and Texas
- Credit approval by our underwriting department
- Collateral is required on all loans
- Personal guaranty required on all loans
- Startups must have alternative source of income
- Monthly payments made by automatic draft

Applying for a Loan

Loan Application package requires:

- Completed application
- Three years' business tax returns and financial statements if available
- Personal financial statements
- Two years of personal tax returns for each business owner

Loan Application Package can be submitted via email, fax or mail
