

# Teacher Appreciation Week Starts May 2nd

This year give the special teachers in your child's life the gift of your recognition and appreciation, by making a donation to the District 181 Foundation in their honor.

**When you donate, here's what happens:**

- Your teacher receives a letter with your special message included and a certificate of appreciation.
- District 181 students and teachers benefit from the grants and programs that will be funded with your donation.
- You give a gift that teachers love to receive. The smiles we see when these certificates are delivered are huge.

**Congratulations to the District 181 Teachers, Administrators and Staff Members who were honored with a donation to the District 181 Foundation in 2015:**
