Special Election Newsletter for Members of Seminole UniServ

Primary 2016

The Seminole UniServ PAC has endorsed classroom teacher, parent, and SEA member **Abby Sanchez** for Seminole County School Board Member District 3!

Abby Sanchez understands that a good education is measured by more than a once-yearly test. She knows educators must have the freedom to teach – *not just test* – their students. It's time for someone who is fed up with extremist politicians attacking our profession!

This August, vote for SEA member Abby Sanchez for Seminole County School Board Member District 3.

Abby Sanchez: The only candidate endorsed by your union.
