Dear

The Family Day Care Regulations in Nova Scotia, which are set down by the Department of Community Services, states as follows:

“An R.C.M.P., or local police department reference check will be requested for each caregiver and member of the household over eighteen (18) years of age. This is to ensure greater protection for the family day care child.”

So that we may operate our program in accordance with the Day Care Act, in a safe and secure environment, we are requesting that you and members in your household complete a criminal records check at your local Police Service or RCMP office. Please return the completed check to my office so we may keep it on File.

Thank you for your co-operation in this matter.

Yours truly,

Thelma Edwards
Executive Director
