

SASF

College and Career Workshop

August 10-12, 2018 , 9 am to 4 pm at SASF, 9040 High Tech Court, Elk Grove

Ready, Set, PREP!

Providing Resources for Education and Professionalism (PREP) is a program developed by SASF to help you get into college and land a career job. High school juniors and seniors and junior college students are invited to this three-day workshop taught by our network of college students and working professionals.

At SASF PREP, you'll learn how to:

- Write a compelling college application essay
- Create a winning cover letter and resume
- Get letters of recommendation
- Nail a job interview and succeed in the professional world
- Assess your strengths and weakness and develop a plan for self improvement

As a bonus, PREP will host a job fair on Day 3 where you'll get to interact with real recruiters. This is a great opportunity to develop the skills and confidence that you'll need to enter today's job market.
