New Business:

- **Election of new people to District 2 positions** will occur at the September 10 Meeting so that the new personnel can get some training before January. We need to ensure maximum participation at the next meeting.
- **Meeting Location for 2018:**
  - Bob Lee propose that everyone consider rotating the District 2 meeting such that a different Group would Host the meeting each month to increase participation and opportunities for service.
  - Kenny Hower opposed the idea from a logistical perspective since the size of the district would make it a significantly long drive for members on one side of the district to get to a meeting on the other side of the district he believed that it could reduce participation. He believed it would work for smaller districts like inner city San Antonio but not for large districts like ours. Kenny believes the meetings would be better located at a central location.
  - Tony Crosset thought that it was a good idea. The possible 2 hour drive for one meeting is not that difficult considering that it could be significantly shorter for the next meeting and it provides the potential for much more district participation.
  - Trish r was in favor of the rotation.
  - Peggy Berry noted that the same idea has been considered the past 6 years and has been voted down every year.
- Tony Crosset made a motion to form a committee to investigate meeting rotation and make a proposal at the next meeting. The motion received a second and passed. The committee members are:
  - Tony Crosset
  - Trish R
  - Casey Roberts
- **Procedures Manual District 2:**
  - Bob Lee wanted all GSR to have and review the manual and identify any changes that are needed. After the November meeting a group would make the changes for use starting in 2018. Bob asked for participants to make those changes. Kenny Hower and Jim Brymer volunteered to participate.
- **Treatment Center Chair:**
  - Tony Crosset as district as Treasures does not have time: Peggy Berry volunteered, was nominated and elected as the District Chair Person for Treatment Centers.
