Space on this course is limited and early booking is essential

Our foundations to plumbing courses are “hands-on” training opportunities aimed at those new to DIY who are looking to learn the necessary skills to maintain their home without the need to turn to tradesman for routine maintenance. You will be getting involved in practical sessions from the start of day 1 and will be amazed at the speed at which you can pick things up. The course will cover the basics in the following areas; however the level of detail will be determined by the group’s wishes:

Day 1	Day 2
<ul style="list-style-type: none"> ▪ How and where to turn off the mains; ▪ Solving that dripping tap – For less than a plumber call out charge; ▪ Dealing with blockages; ▪ Draining and removing radiators; ▪ The correct use of the appropriate tools for the job. 	<ul style="list-style-type: none"> ▪ Changing a set of taps; ▪ Introduction to pipework; ▪ Fixing the overflowing toilet cistern; ▪ Fitting a thermostatic valve to save energy and money; ▪ The correct use of the appropriate tools for the job.

You will get dirty so working clothes are essential. Changing facilities are available on site so please arrive promptly to ensure the course starts on time.

Course Cost **£95 for day 1 only or £150 to attend both days.**

This includes all tuition, materials and access to tools. Safety footwear is a legal requirement for attending the session. We do have some available for loan or sale onsite. If you would like to purchase footwear just contact us no less than 14 days ahead of the course and we can arrange this for you.

How to Apply Full pre-payment of course fees is required to enrol you on the course.

Non-attendance will not result in a refund being offered.
