  - This program is intended for residential tree limbs up to 3 inches in diameter.
  - The tree limbs must be placed at the curbside with all the cut ends aligned with each other toward the street.
  - No shrubs, stumps, roots, lumber, or rail road ties will be accepted. All tree limbs must be free from vines.

WHEREAS, an automated speed enforcement program assists in increasing compliance with speed limits and traffic signals without the disadvantages of conventional traffic law enforcement, such as disruptions in the flow of traffic at heavily traveled locations and intersections and danger to police officers;

WHEREAS, by Resolution Number 15-145, Weathersfield Township adopted an automated speed enforcement program; and

WHEREAS, the Ohio Legislature recently passed Amended Sub. H.B. No.62 amending Ohio Revised Code §4511.092 et seq., regarding the use of traffic law photo-monitoring devices;

NOW, THEREFORE, the Board of Trustees of Weathersfield Township, Ohio, hereby adopts the following Resolution revising the Weathersfield Township Traffic Law Photo-Monitoring Program within Weathersfield Township.

### **Section 1. DEFINED TERMS**

Weathersfield Township adopts the definitions set forth in Ohio Revised Code §4511.092.

### **Section 2. GENERAL**

Weathersfield Township hereby determines that it is in the best interest of the Township to utilize traffic law photo-monitoring devices for the purpose of detecting traffic law violations within the Township. The Chief of Police shall be responsible for administering the traffic law photo-monitoring program. The Chief of Police shall be empowered to take all actions necessary or advisable to operate the program in accordance with law. Weathersfield Township Police Officers may utilize traffic law photo-monitoring devices for the purpose of detecting traffic law violations. A permanent full-time Weathersfield Township Police Officer shall be present at the location of any traffic law photo-monitoring device at all times during the operation of the device.

Weathersfield Township may contract for ticket processing and other services related to the traffic law photo-monitoring program on such terms as agreed by the parties.

### **Section 3. OFFENSES**

1. The Weathersfield Township Police Department may issue tickets for a civil violation recorded by a traffic law photo-monitoring device in accordance with section 4511.092 et seq. of the Ohio Revised Code.

2. The vehicle owner may be issued a ticket if a traffic law photo-monitoring device records a traffic law violation showing that a vehicle is operated at a speed in excess of those set forth in section 4511.21 or 4511.211 of the Revised Code, provided that:

(a) Within a school zone or the boundaries of a state or local park or recreation area, the Township shall not issue a ticket for a civil violation unless the vehicle involved in the violation is traveling at least six miles per hour over the posted speed limit.

(b) At any other location, the Township shall not issue a ticket for a civil violation unless the vehicle involved in the violation is traveling at least ten miles per hour over the posted speed limit.

3. The vehicle owner may be issued a ticket for a civil penalty if a traffic law photo-monitoring device that is used at an intersection detects a violation of section 4511.12 of

the Revised Code based on the failure to comply with section 4511.13 of the Revised Code. However, a ticket for a violation based upon evidence recorded by a traffic law photo-monitoring device shall not be issued when a vehicle makes a legal right or left turn-on-red-signal if all of the following apply:

- (a) The vehicle can make the turn safely.
- (b) The vehicle comes to a complete stop at any point prior to completing the turn.
- (c) No pedestrians are in the crosswalk, or are about to enter the crosswalk, of any approach to the intersection the vehicle occupies while commencing or making the turn.

4. A Weathersfield Township Police Officer shall examine the evidence of alleged traffic law violations recorded by a traffic law photo-monitoring to determine whether such a violation has occurred. If the image recorded by the traffic law photo-monitoring device shows such a violation, contains the date and time of the violation, and shows the letter and numerals on the license plate of the vehicle involved as well as the state that issued the license plate, the officer may use any lawful means to identify the registered owner.

5. The fact that a person or entity is the registered owner of a motor vehicle is prima facie evidence that that person or entity is the person who was operating the vehicle at the time of the traffic law violation.

6. Within thirty days of the traffic law violation the Weathersfield Township Police Department or its designee may issue and send by regular mail a ticket charging the registered owner with the violation. The ticket shall comply with section 4511.097 of the Revised Code.

7. A certified copy of the ticket alleging a traffic law violation, sworn to or affirmed by a Weathersfield Township Police Officer, including by electronic means, and the recorded images produced by the traffic law photo-monitoring device, is prima facie evidence of the facts contained therein and is admissible in a civil action or proceeding for review of the ticket issued.

8. At the time the ticket is mailed to the registered owner, the Weathersfield Township Police Department shall file a certified copy of the ticket with the Niles Municipal Court.

### **Section 4. TICKETS**

1. The ticket shall be processed by Weathersfield Township or its designee and shall be served by ordinary mail to the vehicle owner's address as given on the motor vehicle registration from the Bureau of Motor Vehicles, or its equivalent of the state in which it is registered. The ticket shall include:

- (a) The name and address of the registered owner;
- (b) The letters and numerals appearing on the license plate issued to the motor vehicle;
- (c) The traffic law violation charged;
- (d) The system location;
- (e) The date and time of the violation;
- (f) A copy of the recorded image(s);
- (g) The name and badge number of the law enforcement officer who was present at the system location at the time of the traffic law violation;
- (h) The amount of the civil penalty imposed, the date by which the civil penalty should be paid and the address of the Niles Municipal Court where payment is to be sent;
- (i) A statement signed by a law enforcement officer employed by Weathersfield Township indicating that, based on an inspection of recorded images, the motor vehicle was involved in a traffic law violation, and a statement indicating that the recorded images

are prima facie evidence of that traffic law violation, both of which may be signed electronically;

- (j) Information advising the person or entity alleged to be liable of the time, place and manner in which the person or entity may appear in court to contest the violation and ticket and the procedure for disclaiming liability by submitting an affidavit;
  - (k) A warning that failure to exercise one of the options prescribed in Ohio Revised Code Section 4511.098 is deemed to be an admission of liability and waiver of the opportunity to contest the violation.
  - (l) The date of issuance of the ticket.
2. A ticket issued under this Resolution shall be mailed no later than thirty (30) calendar days after the alleged traffic law violation.
  3. A person or entity who receives a ticket shall do one of the following within thirty (30) days after receipt of the ticket:
    - (a) In accordance with the instructions on the ticket, pay the civil penalty, thereby failing to contest liability and waiving the opportunity to contest the traffic law violation;
    - (b) Complete and file with the Niles Municipal Court an affidavit as provided by law designating another party as responsible for the ticket;
    - (c) Contest the ticket by filing a written request for a hearing with the Niles Municipal Court.
    - (d) The failure to respond to a ticket in a timely fashion shall constitute a waiver of the right to contest liability for the violation and may result in a default judgment in the civil action.

### **Section 5. CIVIL PENALTIES**

1. The civil penalty imposed shall be as follows, or in such amount as established by Resolution by the Board of Trustees:
  - (a) If the civil penalty is paid within thirty (30) calendar days of the date of issuance of the ticket - one hundred thirty two (\$132.00). If the offense occurs in a marked construction zone, the civil penalty shall be one hundred fifty dollars (\$150.00);
  - (b) If the civil penalty is paid more than thirty (30) calendar days, but within forty five (45) calendar days after date of issuance of the ticket, a late fee of twenty-five dollars (\$25.00) shall be added to the amount of the civil penalty;
  - (c) If the civil penalty is paid more than forty five (45) calendar days of the date of issuance of the ticket, an additional late fee of twenty-five dollars (\$25.00) shall be added for a total late fee of fifty dollars (\$50.00).
2. In addition to any civil penalty and any additional late fee, any and all costs or expenses incurred by the Township in connection with the placement of a ticket issued hereunder with outside counsel for litigation or collection thereof shall be assessed against the person or entity found to be liable hereunder.
3. A traffic law violation for which a civil penalty is imposed under this Resolution is not a moving violation for the purpose of assessing points under Ohio Revised Code Section 4510.036 and may not be recorded on the driving record of the owner or operator of the motor vehicle and shall not be reported to the Bureau of Motor Vehicles, nor shall such a violation be recorded on the driving record of the owner or operator of the vehicle involved in the violation.

If the person who was issued a ticket contests the ticket by filing a written request for a hearing with the Niles Municipal Court, the court shall hold a hearing as a civil action. If the person does not appear for the scheduled hearing, or if the person does not request a hearing and does not pay the ticket, the Township may request the Niles Municipal Court issue a default judgment on the civil action for the amount of the civil penalty imposed under the provisions of this Resolution, together with any applicable late fees. Regardless of which party prevails in the civil action, the Niles Municipal Court shall retain the deposit for court costs and fees paid by the Township for the hearing.

### **Section 7: COLLECTION OF CIVIL PENALTY**

Any judgment issued by the Niles Municipal Court, along with interest as provided by law, may be collected in any manner authorized by law. If collection action is necessary, costs of collection of the debt shall be collected in addition to the amount of the judgment.

### **Section 8. SIGNS**

The Township shall erect and maintain signs on every highway which is not a freeway that is part of the state highway system and that enters into the Township and at each fixed system location or, if the signs cannot be located within the first three hundred feet of the boundary of the Township or a fixed system location, as close to that distance as possible, in accordance with Ohio Revised Code Section 4511.094.

### **Section 9. FULL FORCE AND EFFECT**

If any section, subsection, paragraph, clause or provision or any part thereof of this Resolution shall be finally adjudicated by a court of competent jurisdiction to be invalid, the remainder of this Resolution shall be unaffected by such adjudication and all the remaining provisions of this Resolution shall remain in full force and effect as though such section, subsection, paragraph, clause or provision or any part thereof so adjudicated to be invalid had not, to the extent of such invalidity, been included herein.

### **Section 10. COMPLIANCE WITH LAW**

It is found and determined that all formal actions of this board of trustees concerning and relating to the passage of this Resolution were taken in conformance with applicable open meetings laws and that all deliberations of this board of trustees and of any committees that resulted in those formal actions were in compliance with all legal requirements including any applicable open meeting requirements.
