

**Integrating Steps 2-7: Meeting Student Needs  
Salem Keizer School District  
2018**

**Objectives:**

1. Build shared understanding about how **step 1 interacts** with steps 2-7 of the data team process
2. Increase understanding of when a data team is planning for core versus intervention
3. Provide an opportunity for question/answers

<b>Types of Maps:</b>	<b>Purpose/Function:</b>

**Why an emphasis on Core?**

## The L<sup>2</sup> Matrix & Data Teams

**What would/could the assessment results show that would make you want to...**

Revise the **CORE** plan?

Create a targeted instruction plan?

Create a supplemental intervention plan?
