BY **FLEETWOOD**<sup>®</sup>

*America's Finest Travel Trailer*

## WELCOME ABOARD TO AVION CLASS TRAVEL

*Full timing?  
Retiring? Want the  
most sought after  
vacation home on the  
road today? The  
Avion travel trailer  
by Fleetwood offers  
the quality, durability  
and luxury you desire  
for you and your  
family.*

**A** Avion travel trailers are available with double or twin beds as shown. The Sealy® mattress is standard equipment.

**B** Step aboard on Avion's durable steel double step that has rounded corners and non-skid edges for your personal safety. Convenient night lights are also included.

**C** Abundant, functional storage is found throughout the Avion. From the large wardrobes, overhead cabinets and storage beneath convertible furnishings, you travel comfortably equipped. Dovetail construction reflects the craftsmanship found within. Like residential cabinetry, drawers are sanded satin smooth and sealed.

**D** Avion's new galley reflects careful planning with the larger overhead storage cabinets. The double bowl residential quality porcelain sink is equipped with single mix faucet plus purified fresh water dispenser faucet. Magic Chef® microwave oven and 4-burner range/oven provide all of the cooking versatility needed. The microwave is optional in Model 25H. Also, the purified water system is not available in Model 25H.

**E** You'll dine in total comfort while seated on the 5" thick Superfoam cushions. Upholstery is *Scotchgard*® protected for durability and easy maintenance. Beneath each seat, a generous storage compartment for less frequently used items. The Avion dinette easily converts to additional sleeping quarters for an overnight guest. A convenient map pocket/magazine rack is included in dinette models.

**F** The front overhead cabinet contains the AM/FM/Cassette stereo tuner. The tuner is equipped with "seek and scan" and is all electronic. Four 4-way speakers are included in the sound system. Convenient storage for tapes has been included.

**G** Avion's new monitor panel contains a 12 Volt disconnect switch to power down all 12V circuits when not in use. Other functions include analog clock, LP gas reserve, battery condition, barometer, thermometer and hygrometer (humidity).

**H** An all aluminum LPG tank cover protects the LP tanks from road hazards. The hinged ABS top allows for quick inspection of the visual gas reserve gauge. Not available on Model 25H.

**I** The TV table is designed for the contemporary, portable TV. The shelf recesses out of the way when not in use. TV antenna and wiring for the park cable TV coaxial cable is standard.

**J** The bath vanity countertop is covered with self-edged high-impact marble finish laminate for durability and elegance. A residential quality single-mix faucet is standard.

**K** All Avion models are equipped with a large tub/shower for personal convenience and comfort. Rear baths include a cast-in shower seat.

Avion's new living room features deluxe, highly durable furnishings for personal comfort and lasting style. Tasteful front storage cabinets and overhead shelving complete the residential feeling.

# AVION MODEL SELECTOR

Product information and photography included in this brochure was as accurate as possible at the time of publication. Subsequent refinements may be evident in the actual product. Prices and specifications are subject to change without notice. Selected decorator items shown in the photographs are not part of the product unless specified. All fuel and liquid capacities are approximate and dimensions are nominal.

## **Adjust-A-Ride™ Suspension**

Patented in February 1980, this exclusive suspension system absorbs the "G" forces created by irregular roads. Each wheel has its own axle, spring and shock absorber. Adjust-A-Ride offers more protection for personal goods and provides effortless, smooth towing.

### **Other Features Include:**

- Anodized aluminum aircraft type construction
- Up to 11 exterior storage compartments
- 2" x 6" reinforced tubular steel chassis (2" x 5" on Model 25H)
- Braund™ Skyliner TV antenna
- Residential duct heating
- 13.5M BTU roof air conditioner with heat strip
- Omnipower electric system
