Quick clarification about this item from yesterday's email as some questions have arisen. I have since emailed with national office and found out exactly what we need to have.

*All Duo, HI, and DI title/author/ISBN information typed into the online registration. For POI, just type in the Program name (e.g. Doughnuts: A Program Full of Holes) online, leave the author blank, and then type up a Works Cited page for each POI you turn in at registration with the Printed Oratory and Informative scripts. Use MLA style for the Works Cited pages.   PLEASE REMEMBER THE RULES FOR ALL INTERP EVENTS, including POI. If it is not PRINTED AND PUBLISHED on PAPER PROFESSIONALLY and you can't prove that it is, you can't use it.

The only exceptions for works published online can be found by going to this page and scrolling all the way to the bottom for the list.

Do the above. You need only put the title and author and ISBN in online for printed, published materials. If it's not (or doesn't have an ISBN), please just put in the title and author and then type in an explanation about the type of material (published book, script from approved website and which website that is) for HI, DI, and Duo. The last two sheets that print out after the green sheets can be ignored.

For POI, follow the instructions above. Please contact me with questions.

Steve
