	<p>To support various candidates from all political parties and issues supporting:</p> <ol style="list-style-type: none"> Facilitating private investors to be able to permit, construct, and complete linear projects like pipelines, transmission lines, and rail infrastructure. A business friendly tax code that promotes investment and job growth that is competitive with neighboring states. Improvements to our public education system and investment in our colleges of technology. Changes to the permitting processes that will simplify and accelerate their issuance; plus, protect the permit holder from frivolous legal proceedings. Change Montana tort law, decrease medical insurance mandates, and continue to improve our workers' compensation system. A state budget where it is acceptable to leave money in the bank and all spending should be reviewed and justified. Employment laws fair to businesses and legislative changes redressing the imbalance; and, judicial candidates with like-minded points of view.
