

### Product Description:

**RT9** is a scented ready-to-use detergent for instantly removing - in one go - lime-scale, greasy and soapy residue from all washable bathroom surfaces, such as tiles, taps, sanitary fixtures, shower enclosures, chrome fittings, faucets etc... Contains no aggressive acids. It can be used to clean stainless steel and chrome surfaces. Leaves a pleasant, lasting hint of fragrance in the room.

### Typical Uses

Use to clean all surfaces in bathrooms.

### How to use:

#### Surfaces cleaning:

Use **RT9** in full strength. Spray the undiluted product directly on the surface to be cleaned. Agitate with brush or scouring pad. Rinse with water thoroughly.

#### Floor cleaning:

Use **RT9** diluted (at a rate of 20ml to 50ml per one Liter of water). Spread the diluted product on floor and agitate with floor brush. Rinse with water. Use mop to dry. Avoid use or long contact on marble and natural stone.

Refer to SDS before  
using the product.
