

August 2013

Greetings Christian Friends!

My name is Walt Sorey, and I would like to introduce to you, as well as invite your gift of worship and singing to our newly formed group "Choir Works." The Lord has charged me with the awesome task of bringing all of "His Children" (that will) in joining together all races and most of all "Believers" who love real worship. This vision is an adjoining command given to an organization, which is called – *Promise to Pray*. PTP has dedicated its primary cause to our children through prayer and an open witness to who God is. For so long we have followed decades of divided traditions of worship by separation of ethnic groups, races, and colors concerning worship. God wants "His People" to awaken and bring unity to Him in true worship. We are neither a church base nor a ministry looking to sway membership. Rather, we fully want to color the praise like the rainbow. I am certain that God will be pleased when we come together, and out of buildings, "One Color House" will practice heaven's design, and that is true worship. Before "He" returns, I am absolutely sure that Heaven will be spiritually colorful and more.

Please review the *Promise to Pray* website (promisetoprayer.com). Also, our new singing unit, *Choir Works* will be accepting interested members by those applicants, who love to sing and can!

We are a friendly, worship group that welcomes pastors, established groups, and veteran musicians to visit with us weekly. We primarily do concerts exclusively, and fundraisers as the vision charges us to do.

In conclusion, those believers, who have interest in who we are, and would like to view this ministry, please contact *Mr. Walt Sorey* – Choir Director (973) 259-8006 or *Dr. Lovie Lilly* (Founder/CEO of *Promise to Pray*) (973) 704-7826 for more information.

Sincerely,
Walt Sorey
God's Servant
