

FALL OF THE REPUBLICS

THE COMING NATIONAL JUDGMENT

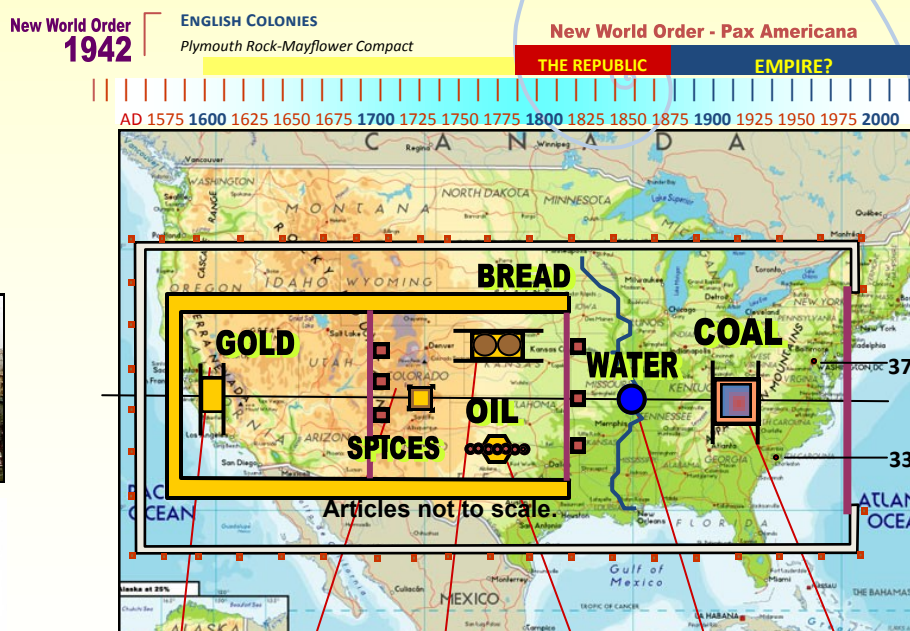

The purpose of this illustration is to compare the USA with the Fall of Rome in the simplistic of terms. The USA has long been compared to ancient Rome; as the New Rome, the New Atlantis, its successor. With its similar symbols, architecture and laws; they also mirror their development—rise and fall. There appears to be a similar pattern of ascent and decline. What has blessed the USA and made her a Super Power is now turning into a 'curse' and its downfall. The relative timelines will be compared to how the LORD in the Old Testament disciplines Nations when it got to the point of no-return. There were 5 Stages of Disciple. The last was exile and bondage. Has the USA entered or about to enter the final stage of Divine Disciple?

Human Government is a divine institution initiated after the Great Flood of Noah. Nations began to form and the LORD, GOD of Heaven sanctioned civil governance to rule the people as before the Flood based on moral and just laws. The foundation of such a society governed by just and moral laws was based on the Family Unit. From this point on, the LORD held a people at the national level accountable for their actions and prescribed judgments against those nations that veered off the precepts of divine law and order. The LORD had 5 levels of warning or 'Disciplines' that He measured a nation's morals against, at which time during any, a nation could be saved from the Final Stage which was total destruction and captivity.

The causes for the Fall of Rome are disputed but it fell in the ~400s AD from within due to decay, corruption, taxation and immorality. Both Rome and the USA started as idealistic Republics and transformed into World Empires. For Rome, the economy collapsed as the infrastructure decayed and immorality and injustice predominated government; it plunging most of Europe into the Dark Ages.

THE NATIONAL JUDGMENTS

5 DIVINE DISCIPLINES

According to the Bible, GOD Warned Israel about the Cycles Of Discipline for a nation that is in rebellion against YHWH. In Leviticus 26.14-46, GOD has a prescript for divine government that is based on righteousness and morality. GOD does judge nations with natural and/or social-political catastrophes. The following are the 5 levels of Divine Discipline of a Nation.

1st—mental and physical illness,
economic downturns, military losses

2nd—loss of influence, famine
drought, economic failure

3rd—domestic terror, culture and society breakdown

4th—disease, military invasion,
national vassalage, famine

5th—cultural and social disintegration, religious anarchy, national destruction and exile

Some eventual national judgments that are seen in the Bible are with Sodom and Gomorrah, Nineveh, Egypt with Moses and ultimately, Israel on 2 occasions.

The extension of the PATRIOT ACT has eroded civil liberties in the USA. Many have visions of the USA being destroyed by Fire/nuclear weapons. Even George Washington had visions of America's cities being burned (G. Washington's Prophecies). The Luciferian Illuminati / Masonic (Satanic) World Ruler's plan this for America. They desire to usher in their Luciferian New World Order back from the ashes of the Pax-Americana's "Phoenix" -the Late Great USA. It will be handed over to the next "Beast" to come, the last one from a Biblical point of view. The next NWO will be Daniel's last world power morphed and mixed (Iron with Clay) from the previous and current rendition of the Roman one.

Many believe that the USA was part of the New World discovered for a prime reason to have many of the Jews immigrate to the Americas, primarily the USA as a save haven until such prophetic time as the Jews would be returning to Israel as a sovereign nation. Half the worlds population of Jews reside in the USA. In essence, the USA can be seen to have been the New Israel.
