**LEVY COUNTY SHERIFF'S OFFICE**  
**TEEN DRIVER IMPROVEMENT PROGRAM**  
**WAIVER**

This waiver is to grant permission to the below named student to participate in the Levy County Sheriff's Office Teen Driver Improvement Program.

The Program goal is to educate the teenage drivers of Levy County about the dangers of aggressive driving, distracted driving, impaired driving, and to reinforce the benefits of seatbelt use. These four issues have been found to be major causes of teen involved crashes, injuries and fatalities. This program consists of classroom instruction, videos, power point presentations and hands-on time during which the students will drive golf carts through a course to learn first-hand the dangers of choices they make while driving. This program is FREE of cost and is 4 hours in duration. The program includes a graphic presentation that will show students the human consequences of their driving choices. Parental waivers are required due to the graphic nature of the presentation.

I \_\_\_\_\_ (print name) as the parent or guardian  
of \_\_\_\_\_ (print student's name) give my  
consent for my child to participate in the Levy County Sheriff's Office Teen Driver  
Improvement Program. I understand that the program depicts real life traffic crash  
photos and videos including the human consequences of the crashes. Some of  
these photos and videos are very graphic in nature. None of the crashes depicted  
are from Levy County or the surrounding counties.
