Leslie Hanson of CCP3&7 – A long time resident since 1958. They though that Happy Jack was a stop gap effort and they asked 3&7 to join them. She was confused about the use of the work “community”. She suggested the use of “community” should be everyone that lives with in the area.

Joyce Black of CCP 3&7 – Ms. Black stated that she has been a resident since 2008, and commented that they need your service because we are not getting any younger. (further comments were inaudible).

Diane Watts of CCP 3&7 – Ms. Watts has owned here property for ten years. She commented on the need for proper verbiage in our document and that it conform to the A.R.S. statue. She requested that they be given more than 24-hour notice of meetings. She said the we should clarify who should respond first - Blue Ridge Fire or Happy Jack Fire? She suggested leaving the word “commercial” in the language of the document pertaining to insurance. No out of pocket cost; explain this. Section E; future fire station - will everyone have to share this cost? clarify this. She commented on staffing – will there be enough staff when you add 195 property to the District? Requested that we Identify financial amount of additional income as how it is received (annually, quarterly, monthly).

Ken Ingrahm – Stated that he was second generation resident. He thanked us for our time and consideration and that he full embraced coming into the district.

He thanked Olivia and said how much he appreciated the effort she has put into this.

Ms. Hanson of CCP 3&7 – (There were some comments that were inaudible). She stated that she felt that 3&7 needed to do this and that they needed protection.
