

Alpena-Montmorency Conservation District's 1st Annual Meeting

The Alpena-Montmorency Conservation District will be holding its first annual meeting as a consolidated district! We will meet at the Brush Creek Mill in Hillman and take you on a guided tour of some of the projects we have assisted in making happen. We will finish up the tour and then head back to the Mill for a complimentary dinner and a presentation by John Frye from Huron Pines on the progress of the Thunder Bay River Clean Up. Please come and see what we could help you with and meet our staff. You can also pick up a copy of our annual report to see what we worked on for 2017.

WHEN: Monday, October 23rd, 2017

TOUR: 3pm—Meet at the Mill

DINNER: 5pm—Following Tour

PRESENTATION: To Follow Dinner

You're Invited!

**Brush Creek Mill
121 S State St.
Hillman, MI 49746**
