

Tiny Chefs (Age 3-4) - 60 minute class - \$25 per child

The Tiny Chefs will learn and play with tastes and textures, as they get hands-on creating their own simple, homemade dishes. They will practice beginning culinary skills like spreading, pouring, kneading, and mixing. We begin to instill kitchen safety knowledge in your child while working on following directions and exploring new foods.

Kindercooks (Ages 5-6) - 60 minute class - \$25 per child

The Kindercooks will work on simple recipes to build beginner culinary skills. They will practice with age-appropriate wooden or plastic utensils, count and measure to build math skills, and learn about the process of following a recipe. The Kindercooks will begin to learn essential skills to prepare a variety of delicious dishes.
