EVENTS

FRIDAY COFFEE HOUSE TAKES BREAK

Thank you to everyone who enjoyed live music at the cafe this winter! We'll be bringing back the musicians this summer when town starts getting busy again. YAY! ☐
Please "stay tuned" for our musical events this summer.

GENTLE DINING: SUMMER 2019

BIG NEWS! By popular demand and for the very first time, we'll be hosting Gentle Dining this summer! Gentle Dining is a series of intimate dinner parties held on Saturday nights in our beautiful Victorian dining room next door to our cafe. For 25 years we have hosted these events in the winter, but by popular demand, we will be hosting them for 4 nights this summer. Creation of menus will be focused on what our local farmers and producers do best and the preparation for the meals will be influenced by all that we have gleaned from culinary traditions around the world.

Think beautiful Genovese pesto with basil from Wandering Root Farm, Strawberry Coulis with ripe berries from Pie Tree Orchards, and Chèvre medallions pressed into fresh herbs with cheese from Moon Dance Farm. The possibilities are endless and the magic is ripe with the coming of summer harvests. Join us for a one-of-a-kind meal this summer!

ENVIRONMENTAL NEWS

BYOC DISCOUNT— did you know?

We have offered a Bring Your Own Cup discount for years now, and since June, we have been able to track how many of you have been saving cups from the trash can... Here's the number.... Customers have brought in 1047 reusable drinking cups! That's amazing! THANK YOU!

GOING NO PLASTIC? WE ACCOMIDATE!

As usual, you can receive any of our bakery items in a paper sack of various sizes. Many of our bags are also unbleached naturally brown. Our to-go forks and knives are made of bamboo and can be chucked into the compost or any wood stove near you! Sandwiches and bagels are wrapped in recyclable aluminum foil. Kudos to our dear friend Karl who regularly brings his own re-used bag for his daily croissants! ☐

NEW ITEMS

BLUEBERRY LEMON BARS

This week's berry swirl in our newly added Lemon Bars (GF & DF), is a beautiful coulis of wild blueberries!

FEEDBACK WANTED

BAGEL WRAPPERS – foil or parchment?

Hey bagel lovers! We need your feedback. We are thinking about changing what we wrap our prepared bagels with. We have used foil wrappers for years but have thought about switching to the more biodegradable bakery parchment. What do you think? Are you needing your bagel to stay warmer for longer with the foil? Would paper be a better alternative due to the fact that it biodegrades? Please let us know your thoughts. ☺

QUOTABLE QUOTES

“Here with a Loaf of Bread beneath the Bough, A Flask of Wine, a Book of Verse - and Thou Beside me singing in the Wilderness - And Wilderness is Paradise now.”

MOVIES AT THE GEM!

Shazam! [PG-13], Dumbo [PG], Pet Cemetary [R]

The Gem Theater is one of Bethel's most prized public spaces. Not only do they feature all the latest movies, they host art films, documentaries, music events, and also local art. Even if you're not watching a movie, just go for a local beer or delicious cocktail and get a fresh made pizza that cooks in 90 seconds. We love THE GEM!

ॐ DiCocoa's will be closing for a short SPRING BREAK from April 22nd – May 15th ॐ
