FROM THE MAIN OFFICE

To Park Residents:

We hope all of you had a wonderful Thanksgiving holiday and had a chance to spend time with friends and neighbors in the Rec Hall, where Gordy and Aggie, along with several volunteers worked to make your dinner special.

Now it's time for our Winter Season to start. So many positive things are happening in the park this season. We hope that you are looking forward to some exciting, fun-filled days ahead.

As December and January's calendar dates begin to fill, we have a birthday and a book signing, as well as a wedding to celebrate. On Jan. 20, we have our traditional Open House. Add to that schedule our eight-day 45th Alamo Rec-Veh Park Anniversary Week filled with sensational events and prizes. We guarantee you won't have time to be bored, especially when you factor in all of our weekly activities.

When you get time, check out the pellet gun range. If you haven't tried this sport, talk to an active RC&R member. Members are always happy to help you get started.

Our Wood Shop is open, but you'll need to contact Jim Davis or Jim Miller because one of them will need to be there for safety purposes when anyone is using the facility. Stay safe!

Don't be afraid to volunteer when different groups need help. Our events are so much more fun when you get to know your neighbors while lending a hand at an activity.

Sincerely, Barbara Hamel, General Mgr.
