AGENDA

CANINE BEHAVIOR, OC SPRAY, BITE STICK & CHEMICAL CAPTURE COURSE

December 17, 2020

Course Host: Arlington Animal Services

COVID-19 Course Precautions:

- The course will be limited to 20 participants to space attendees apart. If you are not comfortable attending trainings right now and have pre-paid, you will be given a credit for a future course.
- Face masks/protection is recommended
- Frequent washing/sanitizing of hands
- Anyone presenting any signs or symptoms of illness will be asked to leave and reschedule for a future course.
- Participants will be required to sign a waiver
- Symptoms Include:
 - Cough
 - Shortness of breath or difficulty breathing
 - Chills
 - Repeated shaking with chills
 - Muscle pain
 - Headache
 - Sore throat
 - Loss of taste or smell
 - Diarrhea
 - Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit
 - Known close contact with a person who is lab confirmed to have COVID-19 in the previous 14-days
 - If you have been diagnosed with COVID-19, the following three criteria must be met before attending training:
 - ✓ At least 3 days (72 hours) have passed since recovery (resolution of fever without the use of fever-reducing medications);
 - ✓ The individual has improvement in symptoms (e.g., cough, shortness of breath);
 - ✓ At least 10 days have passed since symptoms first appeared
