

SURREY SERVICES FOR UNDER-18s

Delivered by NAS Professional Services

NAS Children's Clubs and Youth Clubs are run by NAS professionals from the NAS Resource Centre in Godalming. Clubs run in term-time only and are open to all children and young people with autism and Asperger syndrome who live in Surrey. The clubs offer a variety of fun activities in a safe, structured, autism-friendly environment and are all about having a good time. Everyone gets time to meet new friends, learn and play. The clubs aim to help youngsters to grow and develop their communication and social skills, become more independent, develop their confidence and boost self-esteem.

To apply for a place for their child, parents must contact the NAS Resource Centre. Email:

SEResourceCentres@nas.org.uk

Tel: 01483 521 743 (option 3).

Cost £5 per session.
