Box & Box class offers Ranch Horse competitors an opportunity to develop their skills in preparation for the fence work, without the ultimate challenge of turning or circling a cow. The class is geared toward providing a safe, fun environment for boxing riders to learn how to control a cow down the fence in a competitive, yet low-key, situation. Entries will have one minute and 45 seconds (1:45) working time. Riders will box the cow, run and rate it down the long side of the arena, then set up and box it again on the opposite end.
