

## When and where are the competitions?

### Regional Competition

- Teams compete against other teams located in their region

### State Competition

- Top three teams from each division from all 12 regions compete for the State Championship

### The cost to team member is zero.

All team members transportation, food and study materials are all paid.

The only thing team members need to bring is their knowledge, enthusiasm, and ability to work as a team.

The CBI program will take care of the rest!

**State Championship  
takes place April 12, 2019.**

In cooperation with the .....

## What is Knowledge Bowl?

It is an academic competition that allows CBI students to compete against each other in both a regional and a state competition

- It encourages teamwork
- It demonstrates that learning can be fun
- It develops student pride, confidence, and study habits
- It is good for resumes and future employment

## Here is how it works!

- It contains 2,000 questions and answers from 20 different categories
- 100 questions per category
- Many of the questions focus on content from End of Course Exams, ACT, GED, Work Keys, various credential assessments, CBI classroom and work-related topics financial literacy, and random, fun trivia.

## Divisions

Knowledge Bowl Teams are separated into three divisions based on grade level

Middle School Division

- CBI Students grades 7 and 8

Junior Divisions

- CBI students grades 9 and 10

Senior Divisions

- CBI students grades 11 and 12

## What does a team look like?

A team consists of any number of students between three and ten students.

- No fewer than three
- No more than ten

Team Captain: responsible for settling all differences of opinion among teammates answers to provide the team's final answer.

Team Scorekeeper: keeps track of the teams score for each quarter using the provided scores sheets.

## What Knowledge Bowl Is Not!

- There is no public speaking
- Students do not talk into any microphones
- It is not like jeopardy where the first/quickest team to respond with the correct answer gets the points
- All teams have the ability to answer correctly and earn points for every question
- It is not a competition for everyone, you must be in CBI to qualify.
