APRIL 2017 PRESIDENT'S MESSAGE

By: Gladys Moore

Our next HBPOA meeting will be April 6th at the Coast Guard Station at 7pm. Our guest speaker will be Commissioner John Allocco.

Our March "Meet and Greet" was a huge success. After a short business meeting during which we introduced our new Fire/Rescue Department's fire Chief and Captains, we adjourned to socialize and get to know each other over coffee, iced tea and baked goodies. HBPOA welcomes our new members who joined last month during the social hour and hope to see them at our next meeting and every meeting after that.

During the meeting our Vision Committee chairman, Steve Krou, talked about his new idea for a mural on our fire department building,

Our next meeting will be held **Thursday, April 6th, at 7:00pm** at the **Coast Guard Auxiliary** on Shoal Line Blvd., doors open at 6:45pm.

one with a tropical theme. Steve has had local artists and painters sign up for the project and is working with the fire department staff to come up with ideas for the murals. We are excited about this project, it will be an eye-catching addition to the beautification of Hernando Beach. Members have even suggested that maybe the Dollar General store will let us do something like that on their building when it is done. It won't hurt to ask!

HBPOA member Jimmy "Sarge" Dendy saw that the landscaping at our Hernando Beach sign at US Highway 19 was in sad shape and needed TLC. Sarge volunteered to mow if someone could do the trimming with a weed eater and Bill Jasper volunteered. Kathy Jasper and myself volunteered to pull weeds and clean out the landscaped areas. We all spent 2 hours there and made a transformation in the landscaping, it is now clean, neat and looking nice. I will be buying some new plants to go into the bare spots where dead and dying plants were removed plus new mulch for ground cover. This area is small and easy to maintain with a little weeding and trimming once a month.

Diane Greenwell reported on the Port Authority meeting, they are trying to get grant funds for Reef Balls for an artificial reef off Hernando Beach, they cost about \$250 each. Diane was going to look into ways that Hernando Beach and Weeki Wachee residents could donate towards funding a Reef Ball. There are also memorial reef balls made that are in honor of a deceased loved one. These balls are a hollow cone made of concrete with holes in them that provide a home and haven for fish. They make a great artificial reef that is quickly populated by fish.

Don't forget to submit your favorite photos for our 2018 Hernando Beach Calendar. The theme will be "Hernando Beach Life" just as it was last year. You can email your photos to [hbpoacalendar@gate.net](mailto:hbpoacalendar@gate.net) (include your name so I know who took the photo). They should be photos of Hernando Beach, the preserve, or our Gulf waters, fishing, boating, snorkeling, scuba in the gulf, or our wildlife. We want to depict everything we do while enjoying our little coastal paradise. They should also be full size and good quality for commercial printing. We have some great amateur photographers in Hernando Beach.

See you at our next meeting, join us and meet your neighbors, find out what is happening in Hernando Beach.

## **MINUTES OF THE HBPOA MONTHLY MEMBERSHIP MEETING COAST GUARD STATION MARCH 2, 2017**

Gladys Moore called the meeting to order at 7:05 PM and led those present in the Pledge of Allegiance. She proceeded to acknowledge the firemen from our own Station #6 and thanked them for coming out to our Meet and Greet special meeting. Gladys pointed out they were almost immediately upon arrival "baptized by fire" with a terrible home fire and a non-fatal motorcycle accident. It was without question their incredibly quick response to the fire and their professionalism and expertise that saved the adjacent home from a similar fate. We as a community are very thankful to have this great team now working for us.

The motion to accept the Feb. minutes as published in the Beachcomber was made by Fran Baird and seconded by Joy Martinez and the motion carried.

In Margo McConnell's absence, Gladys gave the

treasurer's report as follows: Balance on hand as of 2/28/17 is \$12,917.61 in the general fund and \$6,474.12 in the entranceway account. The report was accepted as factual and will be filed for audit.

## REPORTS:

**Landscaping....**Gladys Moore thanked everyone who showed up for the workday in February to weed and cleanup the Triangle, which occupies an acre of land, and explained the need for volunteers to do the same for the two small areas at the US Hwy 19 sign.

**Hospitality....**Kathy Frase expressed her delight at the turnout tonight and asked any newcomers to stand and be welcomed. She encouraged new residents to join our association and explained the added incentive of a coupon book with discounts from local restaurants and merchants which will more than offset the \$25 fee for joining. Joy Martinez was appropriately thanked for her efforts in procuring the various discounts. Kathy also explained that new residents to HB are visited and given welcome bags filled with good information about various aspects of Hernando Beach.

Gladys suspended reports to introduce our new fire chief, Chief Heckler, who expressed his pride and the pride of all his men for the privilege of serving the community of Hernando Beach. He introduced all the fine men who are now assigned to Station 6. Among the six were 4 paramedics! Chief Heckler stated that they are working very hard to bring back the concept of the firehouse community spirit and invited any resident to drop by anytime to witness the wonderful progress that is taking place at Station 6!

Among other upgrades there are going to be murals on the bay doors and side of the building to represent our community. Stephen Krou will

be spearheading this effort (727-418-7200) and one can also be kept abreast of developments by following the project on Nextdoor Hernando Beach.

Publicity/Beachcomber...Jen Brown reminded us that the cutoff date for submissions for the April issue to include photos for the photo contest is March 10th. Gladys used this opportunity to point out that we are dark in July and August and then use our September meeting for an ice cream social and an opportunity to vote on the various photos of our beach life to select our favorite, the prize being a membership for the next year.

Government Affairs Committee...Chuck Greenwell stated that since there is so much happening right now and there are so many important meetings coming up covering so many important issues, he will post the notices on Nextdoor Hernando Beach and encourages everyone to watch for them and attend if possible. Gladys explained the concept of the government affairs committee and the important role this committee plays since we are a civic organization.

Port Authority...Diane Greenwell attended the Feb. meeting, reported on many of the highlights of that meeting and encouraged any interested residents to attend the next monthly meeting to be held on 3/15/17 at 7 PM at Linda Pedersen Parks & Recreation Building. One important highlight was the call for sponsors for their Reef Ball Project in the form of donations or even sponsoring one's own reef ball including your name for as little as \$250. These can also be memorials for a loved one or a repository for a loved one's ashes, etc. Reef balls provide a place for fish to spawn, for snorkeling and diving and coral growth and serve a much needed purpose. Another point of interest to our community is that the PA has addressed the issue regarding flaws in the recently approved Marine Construction Code and has asked for an amendment to be an agenda item at a future BOCC meeting.

Crime Watch...Gladys shared the good news that thanks to the generosity of a fellow Hernando Beach property owner, Brian Pierce, our crime

#### OLD BUSINESS:

1) Dues are now due and payable for HBPOA member and at just \$25 a year. This money is used solely for our community projects and it includes a subscription to our Beachcomber newsletter. Only paid up members receive this.

2) The theme for the 2018 HB Calendar will be "Hernando Beach Life." Email your photo submissions of any aspect of life here at HB to [hbpoacalendar@gate.net](mailto:hbpoacalendar@gate.net). Please leave as a large file.

#### NEW BUSINESS:

1) The HBPOA April meeting guest speaker will be Commissioner John Allocco.

#### ANNOUNCEMENTS:

Libby Way announced the Rotary Club's pancake breakfast fundraiser which will held on Saturday, April 1, 2017 from 8 AM to 10 AM at Applebee's

on County Line Road in Spring Hill. The \$5.00 tickets can be purchased by calling 352-410-0110. This event will have occurred by the time the next Beachcomber is out; so surely wish them well in this project. She further explained the focus and purpose of the Rotary Club, not only a local concern but international as well, which does incredibly wonderful things for their respective communities. A huge focus is on school children of every age.

Residents were reminded of the community garage sale to take place on 3/4/17. Please pick up a balloon tonight and attach it to your mailbox to indicate your participation.

Erin Daly pointed out the flyer in the Beachcomber about the Hernando Bar 5K and 1 mile run/walk to fund college scholarships for HC students. All details in flyer. Again, by the time of this printing we are hopeful that the event was a huge success!

Joe Wachs on behalf of the local VFW announced an upcoming blood drive to be held at the post on March 31 from 12 to 4 PM. He also

## REGISTER NOW FOR THE INAUGURAL MERMAID CHASE 4K PADDLING RACE

Be one of the first to experience the new Bayport-Linda Pedersen Paddling Trail during the inaugural "The Mermaid Chase" 4K Paddling Race scheduled for April 8 from 10 a.m. to 2 p.m. Participants will launch from and return to Linda Pedersen Park, located at 6300 Shoal Line Blvd., and have three hours to complete a 2.5-mile portion of the trail. Awards will be given to the fastest paddlers. Participants must provide their own kayak. Food vendors will be on site. Register

now at <https://www.eventbrite.ca/e/the-mermaid-chase-paddling-race-tickets-32807565311>.

Registration begins March 13 and ends April 6, 2017. The early bird entry fee is \$35 through March 24. The price increases to \$40 on March 25. Proceeds will go to the Gulf Coast Academy of Science and Technology Center to build and maintain a salt marsh grass nursery to help complete living shoreline and fisheries enhancement projects along the Hernando County coastline.

"This is an exciting event for a great cause," Chairman Wayne Dukes said. "This new coastal amenity will serve our residents and provide yet another reason for tourists to visit Hernando County's Adventure Coast."

The creation of the new Bayport-Linda Pedersen Paddling Trail was a collaborative effort among Hernando County Waterways, Extension, Tourism Development and Parks and Recreation departments. While kayaking, canoeing or paddle boarding this scenic trail through Jenkins Creek, with a short jaunt to Redfish Bayou, you will be immersed in a vibrant, tidal estuary home to a variety of wildlife. Paddlers can access this nearly five-mile winding waterway for free from official launch sites at both Bayport and Linda Pederson parks.

deter a thief from targeting your vehicle:

- Always lock your vehicle when you leave it, even if you will only be away from it for a short time.
- Never leave valuables in your vehicle (i.e., iPods, cell phones, computers, purses, etc.)
- Do not leave loose change in your vehicle.
- Never leave a firearm in your vehicle. If a thief gets your firearm, he/she is now armed and a greater threat to the community. This is especially true for the deputy that approaches that now-armed criminal.
- Consider placing a reliable alarm on vehicle(s) and be sure to activate the alarm each time you leave the vehicle.
- Cover newly purchased items and packages to deter theft.

iff's Office to not only enforce the law but to educate our citizens. The Citizen's Academy gives our agency the opportunity to provide information to the citizens of Hernando County on the role of the Sheriff in their community. The Citizen's Academy classes are held on 7 consecutive Thursdays, 1:00 - 4:00 p.m. and 6:00 - 9:00 p.m. After graduation, individuals have the opportunity to observe firsthand the job a deputy performs on a daily basis by riding along on patrol. I hope you will take advantage of this program and join us in the next Citizen's Academy.

### Who Can Attend?

Anyone 18 or older interested in attending the Sheriff's Office Citizen's Academy is welcome to apply. Young adults, who are 16 and older, may attend with a parent. Applications can be picked up at the Sheriff's Office or mailed upon request but the most efficient way to apply is by completing the online application and submitting it electronically. Deadline for applications is two weeks prior to the beginning of the class

## MARCH MADNESS ON THE NATURE COAST

By: Ben Martinez

When March begins, the waters of the Nature Coast begin the heating process associated with our area. The fishing begins to heat up as well. The gator trout, redbfish, and many other species move into the area to begin the summer pattern. Recreational and sport fishing all pick up in the area. Our summer fun kicks in during this time of the year.

As the migration of tarpon gets going here, so do kingfish who move in closer to shore when the west winds pick up. Cobia come in close to shore moving with the large rays. The creeks come alive with gator trout. This is probably my most favorite time to fish the Nature Coast waters. Snook fishing is a species I especially enjoy because it has the characteristics that I use during bass fishing.

Oyster bars, turtle grass flats, kelp, and rock bars (riprap) around the creek drain-offs is what most of us look for to find most species. Haul Over Creek in Chaz is an example of a drain-off area. North and South Blind Creek has all the benefits that we look for to find most species. Wall Creek (closer to Pine Island) is also an area where fishing is a plus.

**WE KNOW WATERFRONT PROPERTY  
AND IT'S UNIQUE INSURANCE NEEDS!**

Jenkins Creek on the outside and inside areas are also a positive fishing spot. Every area south to Aripeka have the bars and turtle grass necessary for inshore fishing to be successful.

I would like to finish with a story that is dear to me. My wife, Joy, and I owned a boat called the "Blue Goose". On one fishing trip we traveled north to Homosassa. We ran across a dead Cyprus tree that was a half mile northwest of the Crow's Nest. We had several educators and administrators from Hernando County with us. We caught twenty one redbfish that were in the twenty to thirty pound range off that tree. This was an exciting day for all of us. (Of course we practiced catch and release for those fish under or over the size limit.)

We need to remember that we are a shallow water community. It is necessary for us to work together to keep the Nature Coast a fishing community for residents and recreational fishermen. This area is not conducive as a seaport. Dredging will occur which will drastically change the fish communities due to a major change in their food chain and habitat. Massive fishing boats would also be a detriment to recreational fishing and bring no benefit to our community.
