# ABOUT UNBRIDLED

Through advocacy, education, rescue and sanctuary, Unbridled protects horses from exploitation, rescues them from cruelty, and saves them from slaughter. With abundant love, expert care, and skilled rehabilitation, the team of volunteers at Unbridled turns their lives around and safeguards their future.

Unbridled is a beloved destination for both weekenders, and visitors from all over the country who stay for several days. We are a resource for schools and teachers, and an experiential learning center for people of all ages.

Our supporters are educated and engaged, they range from high-net worth individuals with multiple dwellings, to community leaders and educators who are active on the ground as volunteers at the Sanctuary. Unbridled fans, friends, followers, and online supporters number in the tens of thousands.

No matter what walk of life Unbridled supporters come from, they are committed to the organization's lifesaving mission and educational programs -- and they are loyal to the businesses that support Unbridled.

When Unbridled discovered Lovey & Bride they were sick, exhausted, sorted and tagged for slaughter. Within hours the best friends would be separated, forced into a dirty trailer, and shipped to Canada or Mexico to be violently killed for the meat on their bones.

Today, Lovey & Bride are completely healed and live in Sanctuary at Unbridled. They are never separated and have since welcomed Zelda to their friendship circle. Lovey & Bride are favorites in our literacy program Read To The Rescues. They love to listen to stories, be groomed, and given snacks!

# Promote Your Business While Supporting Unbridled!

## YOUR SPONSORSHIP WILL RESCUE HORSES, SUSTAIN SENIOR HORSES IN SANCTUARY & SUPERCHARGE LITERACY IN OUR COMMUNITY

Show off your socially responsible heart, give back to charity, and simultaneously promote your business through myriad touch points to a relevant audience. From press releases, social media, website mentions, signage and prominent recognition banners at the tournament, your support will make an impact with people who care about your community.

Our excellence in equine care and fiscal transparency is recognized at the highest levels of Accreditation by:

# YOUR SPONSORSHIP SAVES LIVES

**Your sponsorship makes a difference for horses like Fudge Ripple.** At age 23, when Ripple was mostly blind, emaciated, lame and sick, and her beautiful face fractured, she was thrown away for slaughter. Unbridled became her lifeline and gave her a place to call home.

Today, Ripple is healed, healthy, and 300-lbs heavier! She loves to be brushed, and to listen to young people reading. **Thanks to those who support Unbridled, Ripple is safe forevermore in Sanctuary.**
