

Precision DR C 1012

Wireless for Veterinary Equine
HD High Definition
Generation III Wireless

Christian Iconic X-Ray, LLC
BLOOMFIELD, IN

Maximum Waist-High Drop Protection*

CSL Panel Weighs Only 4 lbs.

Rapid 6-Second Image Processing

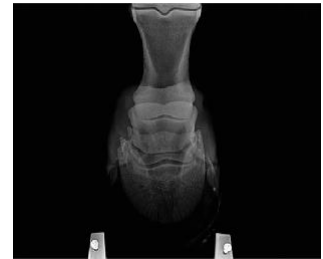

Automatic Exposure Detection "AED"

Automatic Image Calibration for Precise Measurements – A Must for Podiatry Work

Foot Plate and Equine Podiatry Blocks Available

Compact, Durable Pelican Case

Rugged DELL 17" Laptop w/DICOM Software (Windows 10 Compatible)

***Our Plate Encasement is engineered w/High Density Plastic providing excellent shear factor along with all radiuses/contoured edges. If accidentally dropped (average waist height) the combination of material selection and advanced engineering helps distribute the shear (impact).**

Plate is anti-scratch anodized aluminum enclosure with carbon fiber cover plate and anti-shock rubber edging. Reliable performance with water-proof (IP64) exterior casing for outdoor/field operation.
