

# Just Be Happy

Sing a favorite song  
And the world may sing along.  
We can brighten every day  
With the things we do and say.

Just be happy, happy. Just be happy, happy.  
La da da dee da dee da.  
La da da dee da dee day.  
Just be happy, happy. Just be happy, happy.  
La da da dee da dee da dee day.

Clap your hands now and just be happy.  
Do a dance now and just be happy. Ooooh  
Make a smile now and just be happy.  
Laugh a while now and just be happy. Ooooh

Let the music play (let the music play)  
And your worries wash away (let them wash away).  
Such a simple way to see (we've all got to see)  
How the world was meant to be (how the world was meant to be).

Just be happy, happy. Just be happy, happy.  
La da da dee da dee da.  
La da da dee da dee day.  
Just be happy, happy. Just be happy, happy.  
La da da dee da dee da dee day.

Clap your hands now and just be happy.  
Do a dance now and just be happy. Ooooh  
Make a smile now and just be happy.  
Laugh a while now and just be happy. Ooooh

Every chance along the way (every chance along the way),  
Every moment of the day (every moment through the day),  
Make a choice to hear your voice reach out and say,  
"Okay. Let's play."

Just be happy, happy. Just be happy, happy.  
La da da dee da dee da.  
La da da dee da dee day.  
Just be happy, happy. Just be happy, happy.  
La da da dee da dee da dee day.

Clap your hands now and just be happy.  
Do a dance now and just be happy. Ooooh  
Make a smile now and just be happy.  
Laugh a while now and just be happy. Ooooh

Yeah.
