The Season of Lent

Lent is the yearly celebration by the Church of its corporate conversion in
Jesus Christ. During Lent, the liturgy prepares catechumens to celebrate the
Paschal Mystery by the various stages of Christian Initiations. It also prepares
the faithful for Easter as they recall their Baptism and do penance in
preparation for the greatest Feast of the year. Lent has two major purposes: it
recalls or prepares for Baptism, and emphasizes a spirit of penance. Through
forty days of closer attention to God's Word and of more fervent prayer,
believers are prepared to celebrate the Paschal Mystery.

Exploring our Faith

NOW AND AT THE HOUR OF OUR DEATH

I am in awe of the profound thought that has gone into the development of our liturgical year and the readings from Scripture that guide it. Today's readings have been a challenge for me. The first, from Sirach about being judged by our words gives me pause. But the Psalm which follows gives me courage: "In old age they still produce fruit." At age 80 I am grateful for the opportunity to share my reflections on the rich history of our faith.

The reading from St. Paul is fitting for the Sunday before the beginning of Lent. He writes, "Death has been swallowed up in victory!" This coming week includes Mardi Gras, a celebration outside the Liturgy expressing a very human reaction to the fact of death: "Eat, drink and be merry for tomorrow we die." Rather, "tomorrow", Ash Wednesday, we wear on our foreheads a reminder of death, the curse given to Adam at his expulsion from Eden.

This morning I sent a prayer to St. Christopher as I took my Jeep out onto the street to go buy a Sunday newspaper. I know the theologians have told us there is no such saint, but I know and I believe the early Christians knew that St. Christopher was originally one of the ancient pantheon. He was the one who guided people across the River Styx, that is, the great river dividing Earth from the heavens. When the early Christians "baptized" St Christopher (Greek for "Bearer of Christ") and said that he carried Christ across the River, they affirmed that Christ really died for us. Through the centuries Christians recognized that when we go on a journey, we experience a kind of death: we leave our old life behind and go on to something new.

Some moments in life are more momentous than others. We also experience a kind of death at those moments--we leave behind what went before and go on to a new part of our life. The Sacraments mark some of those moments; we all know and remember some others. Sometimes we have to make a decision (who to go with, what college to go to, what job to do...) and what we decide makes all the difference. Sometimes something happens to us (an accident, an illness, an opportunity...) and we must react. How we do so makes a difference. In either case, it helps to have help--to have a guide. Here today's Gospel applies. Can the blind guide the blind?

And this is what Lent is for: to guide and prepare us to make good decisions in our life.

ST. AUGUSTINE'S PARISH COUNCIL

The Local Pastoral Council (LPC) provides the opportunity to work together to build and maintain the vitality of this Christian community. Your LPC is the voice of St. Augustine's parishioners, and in partnership with Fr. Angus, examine and respond to the needs and mission of our faith community. New team members required for 2022. We are a wonderfully diverse and progressive faith community. We have a place for you at this table. Please consider this invitation and respond by email to parish.office@qasmoncton.com or Charlie Farrell at charlie.farrell@qasmoncton.com or speak with Father Angus or any of your Council Members .

Next year Bishops from around the world will journey to Rome for a meeting called a Synod. In Rome, they will strive to discern the Holy Spirit's calls for the Church today. But this journey will start in Churches all around the world, where people will gather to talk about what the Church is doing well and what it could be doing better. We would like each and every one of you to participate in these discussions. Meetings will be set up at different times and places, in person and through technology. We will seek to give everyone a chance to be heard. The results of these consultations will be provided to our Bishop so he will have the benefit of the full views of our community.

There is a lot to talk about. How is our journey together going? Is our Church listening to us? Is our celebration of the Mass together helping us in our faith journey? What more can we be doing in the Church and in the broader community? How can we better support each other in our faith and our works? In the next few weeks, we will be reaching out with more specifics, but please start thinking and dreaming about what the Church can be in the future and be ready to come and talk about what we can do to make our hopes for the Church come true.

ST. VINCENT DE PAUL CLOTHING DEPOT Open Monday, Wednesday, Friday 10:30am—1:15pm

WORLD DAY OF PRAYER MARCH 4TH

The World Day of Prayer is observed annually on the first Friday in March. It is an invitation for Christians to pause and pray together ecumenically. This recalls our Christian responsibility to be sensitive to the signs of the times so that we might bring a more authentically Christian dimension to the concerns of our world, our country, our community. Sponsored by the Women's Inter-Church Council of Canada and its national counterparts around the world, it is celebrated in approximately 165 countries. For more information on World Day of Prayer you can visit their website at <https://wicc.org> and click on World Day Prayer Service video.
