Members passing reported: William Murphy (49 yr. member), (his wife Annie passed 1 month later), Mark Gibbs (son of President Charlie Gibbs), William Stock (12 year member), Gordon Hall (4 year member), and Jeff Comstock (6 year member).

Also, Mark Brockett had very serious car accident resulting in extensive rehab. He has still a long road to manage but, he held up his chairmanship of the activities he promised and did them well.

The **Pandemic** continued but we attempted to comply with safety measures, including holding regular meetings and some activities with Masks and social distance in mind and done fairly well.

Board of Directors held their two meetings. Topics accomplished were Budget, next year Bd meetings schedule, April 29th and October 7th, property/clubhouse maintenance, Workdays were set for June 5th and Sept 10th and 11th for the Feast. It was emphasized that we have **no** trash pick-up SO, **“CARRY IT IN – CARRY IT OUT”**

Change of two activity Chairpersons, (Pill Pull / 50/50 draw c'man is Don Buck and

DEC co-chair is AJ and Lynn Tennant). DEC camps remained closed this year, hoping next year will be open. Also, DEC did not cash our check for campers that were unable to attend and returned our money. The new Club signs seen at the ends of Whipple Road were made and donated by Jim and Barb Fabian thank You very much.

Also, it was decided as very needed to **increase the Membership dues** starting renewal time November 2022.new amount being Reg = \$75 / Assoc = \$38 / Sr = \$38

The **workdays scheduled by Harry Meneilly** accomplished quite a lot with fairly good attendance. Such as firewood for club use, sign on front of clubhouse remained, garage, clubhouse and refrigerator were thoroughly cleaned, gun range boards cut, stacked, and placed as planned. The lawn mower was in shop for repairs – bottom line for battery dying was the clutch. So far working fine again.

Along the line of workdays was the new **sluiceway spillway project** designed by Harry Meneilly. With a number of good workers, it was completed by October 22nd with total cost of \$3774.00. activity report will be included with this report.

Charlie gave each meeting remarkably interesting summaries of Federation, DEC, and hunting and fishing news from The Outdoor News monthly paper.

The **Envirothon** was held online due to Pandemic. Our Guest speaker for them is hoping to have it held next year on May 5th. She also mentioned the many stations those attending will be visiting and learning.

The **Trapping and Gun courses** given by Dick Duprey took a back seat due to pandemic but did manage to hold one at the Club.

PVM Environment Scholarship had two applicants and was presented to **Emily Schlueter** of Central Square. She sent us a very nice thank you and outlining her education plans. - to attend U of Buffalo, majoring in Biology. Plan is 4 yrs earning degree in science, then Masters in education to become a science teacher.
