Volume #1 Published Monthly

From the President's Desk: May 2016

We had another great club work detail in April, and we're looking forward to one on Saturday, May 21st at 9:00 am. This month we'll be doing some painting, putting a roof on one of the picnic pavilions and adding a diverter on one of the clubhouse's rain spouts. Tools that may prove useful are screw guns, and carpentry tools, old clothes for painting, shovels, and maybe string trimmers, if you have them. If we have enough people we may get some of that done too. This is a big piece of property. There are many buildings and a lot of upkeep is required. There are no paid maintenance people here. It is up to you, the members, to pitch in and get things done. We're working at it, but we could use your help.

We'll be giving away door prizes again at the work detail. Last month's lucky winners were Paul Scarborough, Matt Eberly, Phil Garrett, Bob Opsitos, and Howard Thompson. Besides winning a gift card you'd be helping with the task of the club's upkeep and have an opportunity to meet fellow members. Please make an effort to attend. This will be our last scheduled club work detail until the fall.

Elections will be held at our next chapter meeting on Tuesday, May 17th at 7:00 pm. Come out and vote.

Howard

Juniors:

During the May open meeting, the Juniors are planning to shoot Archery. Juniors are welcome to bring their own equipment, but must only shoot target arrows, no broad heads. Any Juniors interested in running for a position (President, Vice President, Treasurer, or Secretary) please notify Mr. Ted. Elections will be held before our archery activity at the May meeting.

Stream Survey:

On Sunday, May 22nd, there will be a stream survey to identify and see the aquatic life that lives in the stream. These critters are vital to fish and other stream life. That amount of life in a stream is a good sign of how good the water is. It will start at 2:00pm. The place is at the picnic pavilion on the clubhouse side of the stream.

Save Our Streams:

Members-- Did you know that Your Chapter of the League has been involved in Save Our Streams Projects for quite a while. And, Your Chapter has managed to get a vast amount of funding to improve the streams in southern York County. Since 1999, Your Chapter has managed to obtain close to Five Million Dollars, yes (\$5,000,000.00), to return degraded ecosystems to a stable healthy condition. Since 1999, Your Chapter has been engaged in Twenty-Four (24) separate projects that have provided in kind restoration funding from our membership and project partners valued at an estimated \$738,000. Do you want to become part of this effort? You can jump in with both feet, and help Your Chapter continue this effort. We have two workshops set up with Aquatic Resources Restoration Company. You will be shown how to obtain needed information necessary for the completion of two on-going projects. And you will be taking part in interesting and needed "in kind work", required of Your Chapter. The dates for these two workshops are Sat., 5/14 at 9:30 AM and Thur., 5/26 at 5:30 PM. Both workshops meet at Your Chapter. If you are ready to "get your feet wet" call me about questions and to pick a date.

Bill Stone 717-881-4992

Youth Field Day:

Now is the time to think about registering your son or daughter for the youth field day. It will be held on Saturday, June 4th, 2016 on the Izaak Walton grounds for ages 8 to 15 years. You must pre-register for this event by sending child's name, address, and age along with self-addressed stamped envelope to: York Area Sportsmen for Youth P.O. Box 32 Dover, PA 17315. Any questions, contact Tom Kornbau at 717/968-0737

Home Defense / Firearms Class:

We are thinking of offering a home defense awareness and firearms class to members. This would cover safety and defense in the home as well as things to consider if purchasing a firearm for this purpose. Several types of firearms would be available as examples. The class would be held at the club, and would be a few hours classroom only, no live fire range time. The cost would likely be \$30 per adult, with kids along for little cost. Class schedule will depend on interest. If you would be interested in attending this type of class, please email me at ghswope@gmail.com, and we will see if we can get it scheduled.

Thanks - Gary

2016 York County Veteran's Sporting Clay Shoot:

To be held on July 9, 2016 at Starview Sportsmen's Association. The day starts with lunch at noon, followed by a brief safety briefing, a full afternoon of sporting clays, and finishing the day with an awesome steak dinner, plus great door prizes. It's all free for Veterans, who sign up, also anyone wishing to help or contribute to this event, contact Phil Baker 717/266-5987.

Welcome New Members:

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
