

3D SPEED HORSE OPEN CLASS

EFFECTIVE JANUARY 1, 2018

For all our Scottsdale Saddle Club members and non-members, we have a class just for you!! You won't need to run another event. You simply enter your horse in the open class and your recorded time from your age class will be carried over to the ONE Speed Horse Event chosen at each gymkhana. It's that simple!!

THERE ARE JUST A FEW RULES.

- 1) OPEN is what it means - all riders will compete together. You must run in all 4 events to be eligible.
- 2) There will be one event chosen for the speed horse class at each gymkhana and that same event will NOT be chosen twice in the same season/year.
- 3) Multiple horses (same rider, more than one horse) must ride in all 4 events of the day (2nd horse ridden in the non-point class)
- 4) You have to enter in more than half (6) of the speed horse classes (one per month) to qualify for the Special Speed Horse year-end awards.
- 5) All entry money paid into Speed Horse will go toward special Speed Horse awards given out at the yearend banquet.
- 6) Points follow the horse not the rider.
- 7) 3D means 3 divisions with one and one half second splits between each division. For example: If the fastest time out of all the entries in the 3D Speed Horse is 18.365, then that would be the first place in the 1st division. So, 2nd division would start at 19.865, then the 3rd division would start at 21.365.
