More Congratulations to our Auxiliaries

As I am writing this bulletin, I have just received the November 1st membership numbers. As you know from last month's bulletin, the number to aim for by the end of November is 90%. I am so excited to report that not only have three Districts already reached 90% but also 127 Auxiliaries are at 90% or more. And of those 127 – 24 auxiliaries are already at 100% or more! Give yourself a pat on the back!!

The Next Step

So, I am sure that when I receive the December 1st membership report I will be thrilled to see that the 21 auxiliaries that are in the 85-89 percent on November 1st, will be well over 90% by December! I know you can do it.

Of course, the ultimate goal is to hit 100% by the end of December 2020. There will be eight \$25 awards given out at Mid-Year and honorable mention of all Auxiliaries and Districts that make it.

Are you in the Holiday Spirit?

With the holidays upon us, perhaps you can look at your list of those that have not been able to pay their dues yet and consider giving them the gift of paying their dues for them. Maybe you can hold a contest and put the names in a hat and pull out one unpaid member to pay their life membership. Every paid membership helps all of us.

I know with the Covid-19 crisis, 2020 has been a very difficult year to do any events to help our veterans. However, please consider that one of the best things you can do for your veterans is to survive this crisis. I do not just mean each member physically, but every member needs to work at keeping their auxiliary alive and ready to hit the ground running when we can be together again next year. When you think about all that our veterans have sacrificed for us, helping to keep your auxiliary at 100% membership is really the least that we can do for them.

I hope that you all had a Happy Thanksgiving and have a Merry Christmas and a Happy New Year!

Together we can “Soar Like an Eagle for our Veterans” and continue “Honoring our Mission to Serve Veterans”.
