**Chaplain's Message**

As election time draws near we can be thankful that our country is in God's hands. He has commanded that we follow the authorities that are in control. ref: Heb 13:17, 1 Peter 2:13, Romans 13:1 ESV, Let every person be subject to the governing authorities. For there is no authority except from God, and those (governments) that exist have been instituted by God. We can't be certain what God plans to do with our country and how he plans to use his people (us), in the times that we will see after the presidential election. I know that each of us want to see a peaceful America, even better than it is now. Freedom to live and worship as we choose, and yes those who don't believe as we do, should also have the freedom to follow their beliefs. Freedom to enjoy our cars and to travel and share with our club family as we like. To safely travel and enjoy this great and beautiful country that we have. I am often reminded of the Old Testament town of Sodom and Gammorrah, and the remnant that Lot couldn't find. Here in the U.S., we have a fine Christian remnant. And so I have the comfort that God is not going to burn America down nor allow it to be burnt down. But we must pray as He commanded us to. We must pray for a strong America, a strong people that love Him and follow his commandments, and stand up for a strong nation, and a strong church that leads us ever closer to God. So therefore, we know we are in God's hands, which helps us to remain confident in Him. We must pray for God's best for us and our country and for fair voting during this election. And we must VOTE, using our God given right, as provided by our constitution, praying God's hand will be over our country during this election.

## President's Message

It's been a great year for the 2016 CHRISTIAN CLASSIC CRUISERS CAR SHOWS! There were 200 cars at the October Christmas Car Show and Toy Drive. A Big Thanks to **JB** and **Susie West** for being Santa and Mrs. Claus. Santa's sleigh was filled with many toys. All the toys will go to the two charities that our Club supports: Metro Ministries of Fort Worth and Safe Haven of Fort Worth.

Over 25 Club members attended the "Key to the Hills Rod Run" Car Show in Boerne, TX. Out of 291 street rods, **James** and **Nancy Buck** received a Top Ten Award, and **Dwain** and **Cheryl Klopfenstein** received the NSRA Safety Award. Congratulations!

**Dwain Klopfenstein**, President

## Membership

Membership Chairman – **Steve French**

We had a great October meeting that was well attended. **Ronnie Stedman** and his father **Ron** were in attendance and were voted into the club. Welcome to the CCC family!!

We had 200 or so cars at our October show. The Crazy T-Shirt Ladies sold 15 T-Shirts and we received several donations towards the children's toys. What a generous way to close out the car show season!

We have several 2016 T-Shirts still available, so I will be bringing them to the November meeting for purchase. I will also have a list of the sizes and quantities available so you don't have to "dig" through the shirts in vain.

Don't we have a couple of auto shops (aka Man Caves) in our midst that need to be decorated with cool artwork other than spare parts?! You are in luck my friends. We will be selling raffle tickets for the 2016 club banner at the next meeting. The banner will be auctioned off at the Christmas Party just in time for Santa to see it hanging in your shop. Good Luck!!

We currently have 61 memberships and 107 members.

## **The Bunco Bunch**

October was our final Bunco gathering for 2016.

With temperatures in the 90's we had hoped to encourage Fall to show up with some cooler temperatures by gearing the menu accordingly. Ha, it was not to be! However, we did enjoy the wonderful homemade potato soup that **Lorane Rea** brought, along with a delicious salad provided by **Reyna Kinnan**. **Pat Friesen** kept the "heat" turned up with some jalapeno dinner rolls and **Vicky Sowell** baked up a batch of **Aunt Juanita's** special cookies (recipe is elsewhere in this newsletter).

Winners were:

Most Buncos – **Vicky Sowell**

Most Wins – **Nancy Hunter**

Most Small Buncos – **Nancy Hunter**

Most Losses – **Stephanie Harp**

We will take a break for the Holiday Season and look forward to getting together next year.

## Wanted Section

Wanted 1957-64 Oldsmobile or Pontiac rear axle housing - Looking for the rear axle housing from a 1957 to 1964 Oldsmobile or Pontiac. I don't need the center chunk, axles, brakes, etc., all I really need is the outer housing these parts go into. Contact **Dan Helfer** 817-308-5390

## Cruisin' Along

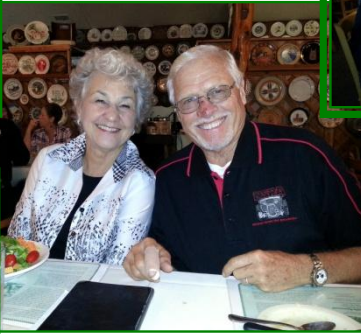

**JB** and **Susie West** left Keller on a great Streetrodder Magazine Road Tour in their classic '55 Pontiac on September 8<sup>th</sup>. Our first stop was in Cincinnati, Ohio at a classic Indianapolis racecar restoration shop where we saw a number of restored classic cars. Traveling on to New Springfield, Ohio, we visited Don Snyder's (drag racing hall of famer) great car collection at Snyder Specialty Cars Museum. Onward to Fred Warren's car collection which includes a Riddler Winner, and two Americas Most Beautiful Roadsters. Taking a break from the car theme, we visited Niagara Falls. Then back to the car collections! In Norwich, New York we viewed a great collection of 150 cars. Then took the scenic route through the Adirondack Mountains in New York and a ferry trip across to Burlington, Vermont. After putting 2,400 miles on the Pontiac, I applied a bit of elbow grease to clean 'er up and enter her in the Burlington NSRA event. I was honored to be selected as the Streetrodder Magazine Pick out of over 1,400 cars! The return route took us through the mountains to Pigeon Forge, TN. Enjoying the colorful fall foliage along the way. Here is my challenge to all of you - plan your vacation in 2017 for either the Streetrodder Magazine Road Tour from San Antonio to Pigeon Forge, or the Streetrodder Magazine Cruising The Coast Road Tour. The Streetrodder Magazine Tours differ from the Hot Rod Power Tour in that their tours include daily visits at car shops and collections such as those described above. Both Streetrodder Tours are on our calendar for 2017. So who wants to go with us? You have all winter to get your car ready!

## Cruisin' Along

### Brook Army Medical Center Wounded Warrior Show / Boerne Key to the Hills Rod Run

Fourteen club members attended the show at Fort Sam Houston, Brook Army Medical Center, Family Support Center for wounded soldiers. CCC T-shirts were distributed to the troops who viewed the club cars that were present. As usual a club that travels together eats well together! A great time was had by all. Congratulations go out to club members whose cars were recognized at the Rod Run. **James & Nancy Buck's** '37 Ford won a Top Ten, and **Dwayne & Cheryl Klopfenstein's** '31 Model A was selected as the NSRA Safety Pick!

Some just cant bear leaving their "children" with a sitter!

Funny Notes:

**James Buck** was given a manual detailing on how to prevent backfiring after having difficulty with this issue, even as he parked in the "Top Ten" slot.

**Dick McRae** was given a roll of pink duct tape so **Phyllis** could make her own repairs on Dick's street rod before she comes along again!

**Joe Bob Faye Powers'** daughter announced her engagement & pending move to Ohio.

**Vicky Sowell** baked nine dozen cookies using **Juanita Klopfenstein's** famous recipe.

**Cort & Lorane Rae** brought along their dog **Buddy**. At lunch **Cort** brought in a small water bowl to refill it. When he explained to the waitress the purpose of the bowl, she exclaimed "I was afraid it was for your false teeth!"
